Subject: - Participation in National Environment Youth Parliament-2024 (NEYP-2024)

Respected Madam/Sir,

The National Environment Youth Parliament-2024 (NEYP-2024) is an initiative aimed at fostering environmental awareness and leadership among the youth of our nation. This visionary endeavour, spearheaded by Students for Development (SFD) and Paryavarn Sanrakshan Gatividhi in collaboration with the Ministry of Environment, Forest and Climate Change (MoEF&CC), the government of India and other stakeholders holds the potential to shape the future of environmental conservation in India.

The NEYP-2024 aspires to provide a dynamic platform for the youth, uniting them in purposeful dialogue, actions, and initiatives to address the pressing environmental challenges we collectively face. Through a variety of activities such as seminars, workshops, panel discussions, interactive sessions, and policy debates, this initiative aims to nurture holistic solutions by engaging students and young individuals from diverse backgrounds for the benefit of both our environment and the next generation of green leaders in India.

The primary objectives of NEYP-2024 include:

- **Green Leadership:** Empowering young individuals with leadership skills and a sense of responsibility towards environmental stewardship.
- **Youth Engagement:** Encouraging active participation and fostering a deeper understanding and appreciation for nature's intricacies.
- **Decision-Making:** Equipping participants with tools to make informed decisions on environmental matters.
- **Diplomacy:** Fostering diplomacy and collaborative problem-solving, promoting effective communication and teamwork.

In light of the significance of this initiative, we request you to encourage students from your respective institutions to participate in the National Environment Youth Parliament 2024 and contribute to the success of this initiative.

With kind regards,

Yours sincerely,

(Manish Joshi)

To,

The Vice-Chancellors of all Universities
The Principals of all Colleges/Institutes
