NOTICE

Subject: Value Added Course (VAC)

Academic Session: 2023-24 (ODD)

MCA 1st Semester, Department of ICT

With the approval of the Departmental Academic Committee of Department of Information, Communication and Technology on the subject cited above, the Value Added Course in "Data Analytics Through Excel" is proposed to commence w.e.f, 5th October, 2023 between 2:00 pm to 3:00 pm for the students.

Introduction:

Value added courses are designed to raise the level of the students beyond the academic curriculum. It visualizes modern tool usage for prediction and modelling to target the complex IT problems with an understanding; which further augment bridging the gap of corporate requirements to enhance employability of the students. Training and Placement cell also provides certain cues from the corporate requirement which require attainment by the learners to upgrade their skill set.

Accordingly, the Department recommended to introduce Certificate in "Data Analytics Through Excel" Value Added Course scheduled as below:
