Report Description

The session was organized on 25th January 2023 on the topic “A Step towards Girls Hygiene” at Government Girls Senior Secondary School located at Pitampura. It was conducted as an initiative towards girls’ hygiene where students voluntarily participated from all departments for the distribution of sanitary pads to adolescent girls and also a lecture was delivered to create awareness among the students of govt. school. Almost 100 sanitary pads were distributed by students and faculty. It was an interactive session and it's great to hear that the session about society misconceptions was such a success!
