**Report**

A session was organized to celebrate IIC Celebration Activity National Technology Day on 11th May 2022 at Tecnia Institute of Advanced Studies. The speaker for the session was Dr. Nivedita, Head Training and Placement Cell and In Charge IIC, Tecnia Institute of Advanced Studies. The speaker spoke about the importance of the day and said that it is celebrated every year since May 11, 1999 to commemorate the scientific and technological achievements of Indian scientists and engineers. She said that National Technology Day holds great importance because on this particular day in 1998, India successfully conducted a series of nuclear tests at Pokhran test range in Rajasthan. National Technology Day is celebrated every year as a reminder of the anniversary of Pokhran. She briefed the students that each year a theme is selected for celebration and the theme for this year's National Technology day 2022 is 'Integrated Approach in science and technology for a sustainable future'. She described the actual meaning of sustainability as a solution which is feasible, viable and acceptable. She motivated the students to come with the sustainable solutions to various problems using the indigenous resources. The 40 minutes session was well coordinated and well received by the attendees.

**Learning Outcome:**

- The attendees understood the significance of National Technology Day.
- The attendees understood the history of National technology Day.
- The attendees understood the National Technology Day 2022 Theme and its meaning.
- Students were motivated to work towards National Technology Day 2022 Theme.
