- To make the attendees aware about low budget innovative projects.
- To make the attendees understand about pros and cons of angel investment.
- To make the attendees understand the notion of the venture capitalist.
- To elevate the knowledge & confidence of the attendees.

Report:

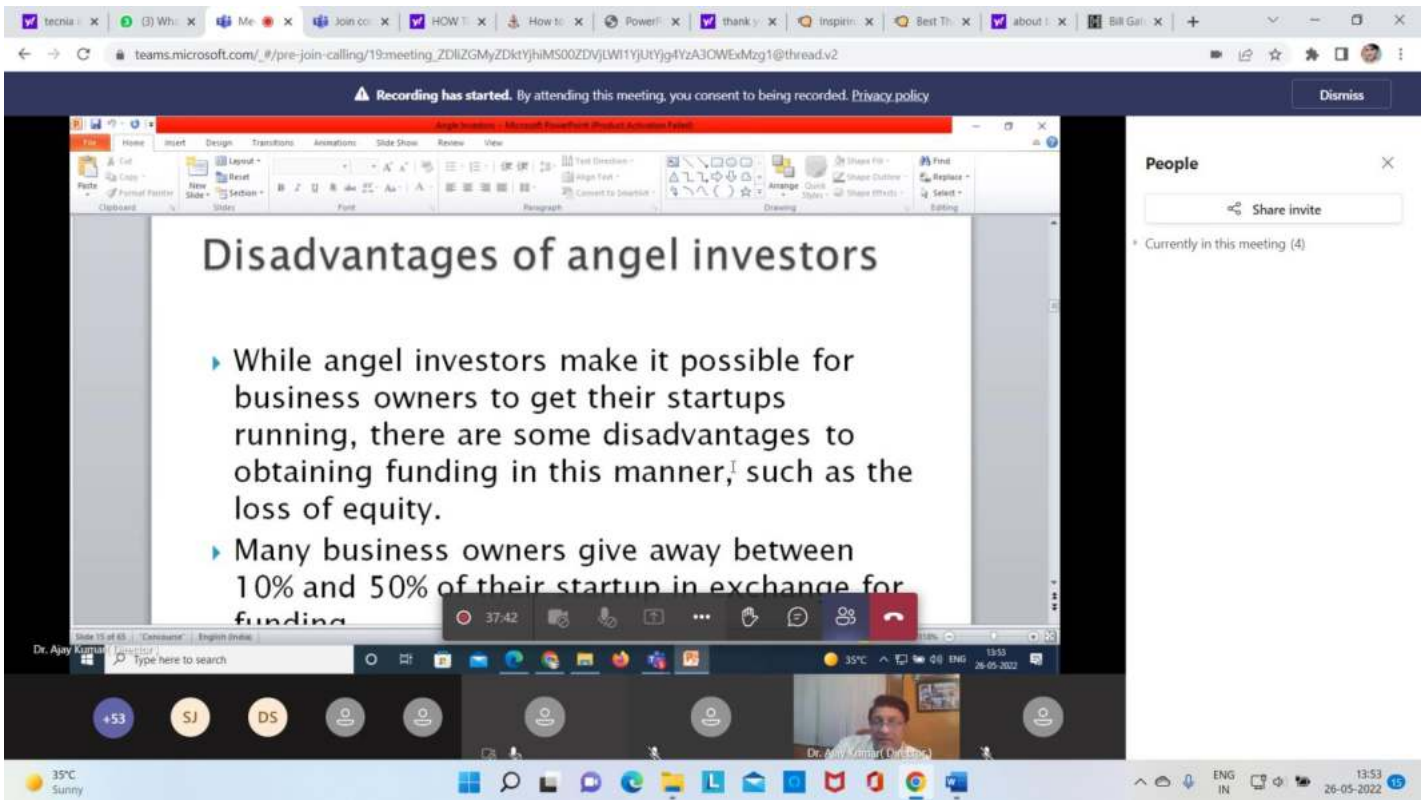

A webinar on Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs was organized by IIC and Training & Placement cell on 26th May 2022 in the TIAS at 1:00 PM onwards. The special speaker of this event was Dr. Ajay Kumar (Director, TIAS). The speaker briefed the attendees about the meaning and notion of venture capitalist with modest instance; and its paybacks. He further enlightened the students about how do Indians qualify as well as eligible for angel investors with their prominent facts. He further elaborated that how angel investors are highly beneficial for startups who need access to funding. He spoke about the entrepreneurship cycle, the process of being successful entrepreneurs, the ways to market the product, the way of approaching an incubation council. He also familiarized famous venture capitalists and angel investors who have the ability to run startups with a substantial amount of capital. He conferred in detail about the successful venture capitalist Bill gates, its influence. Earlier Dr. Nivedita, Head Training and Placement and In Charge IIC TIAS greeted the speaker and acquaint with them to the attendees. She briefed the students about the objective of the seminar. The one hour online session was very interactive and was well coordinated by Dr. Rubeena Bano Assistant Professor, Management Sciences. The seminar ended with a vote of thanks by Dr. Nivedita.

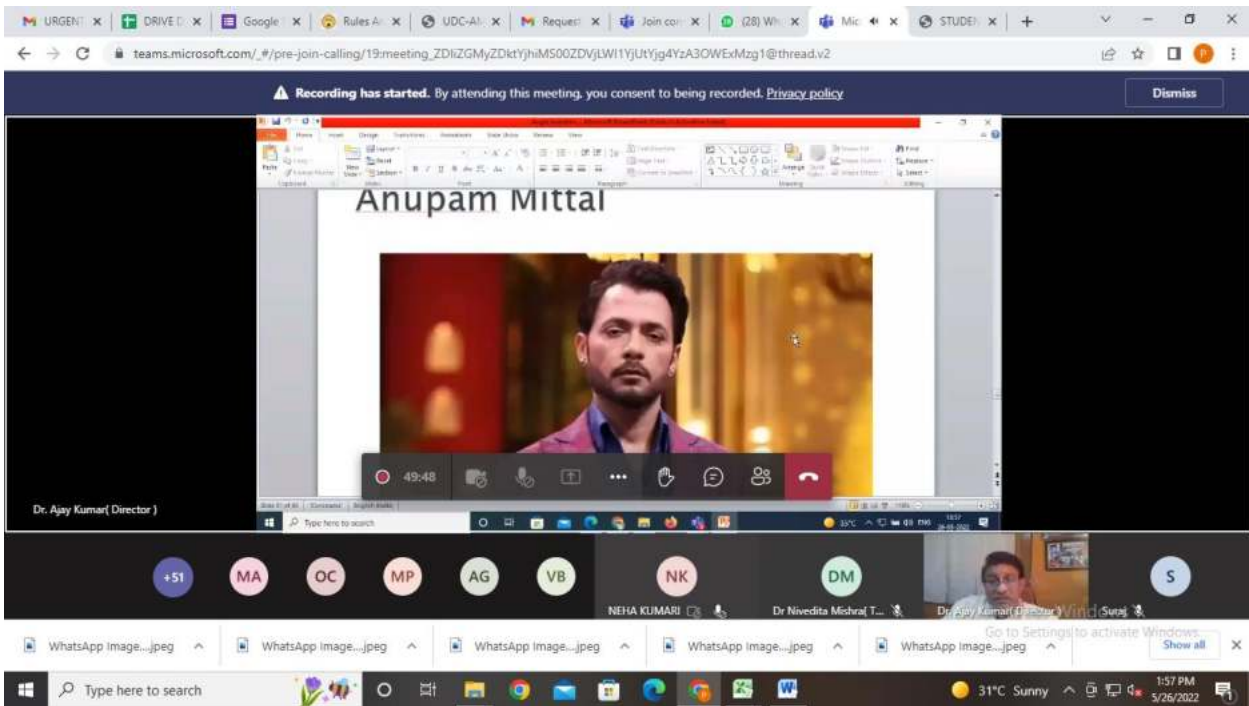

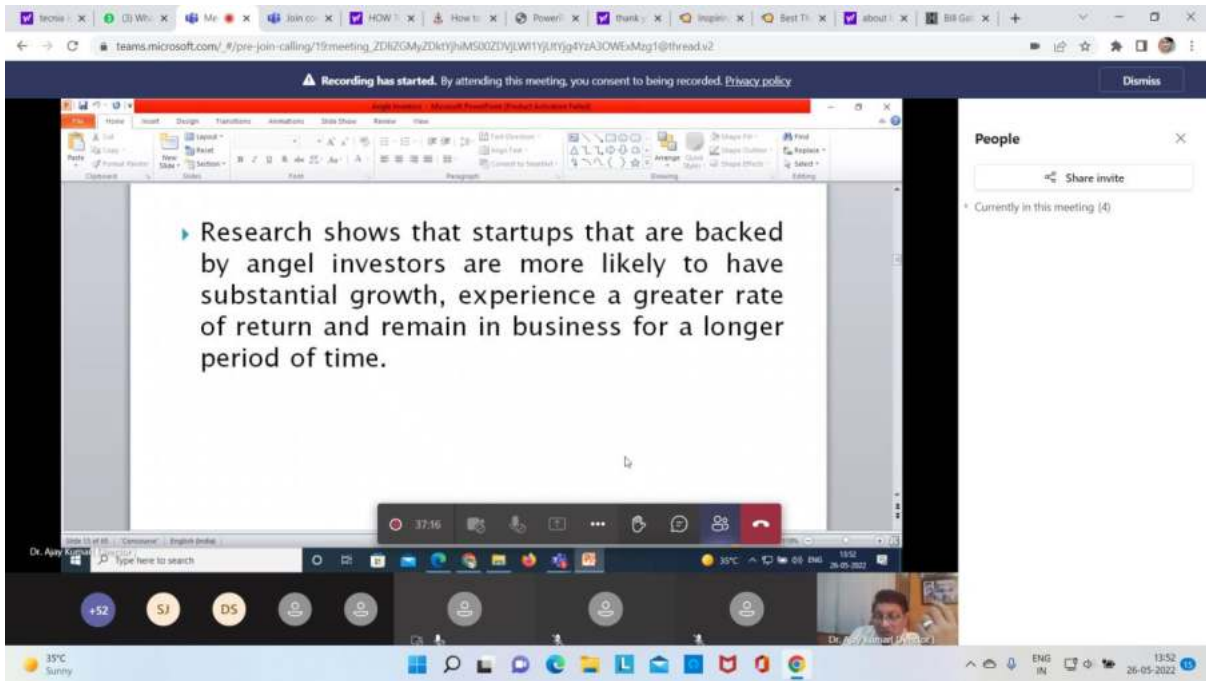

Learning Outcome:

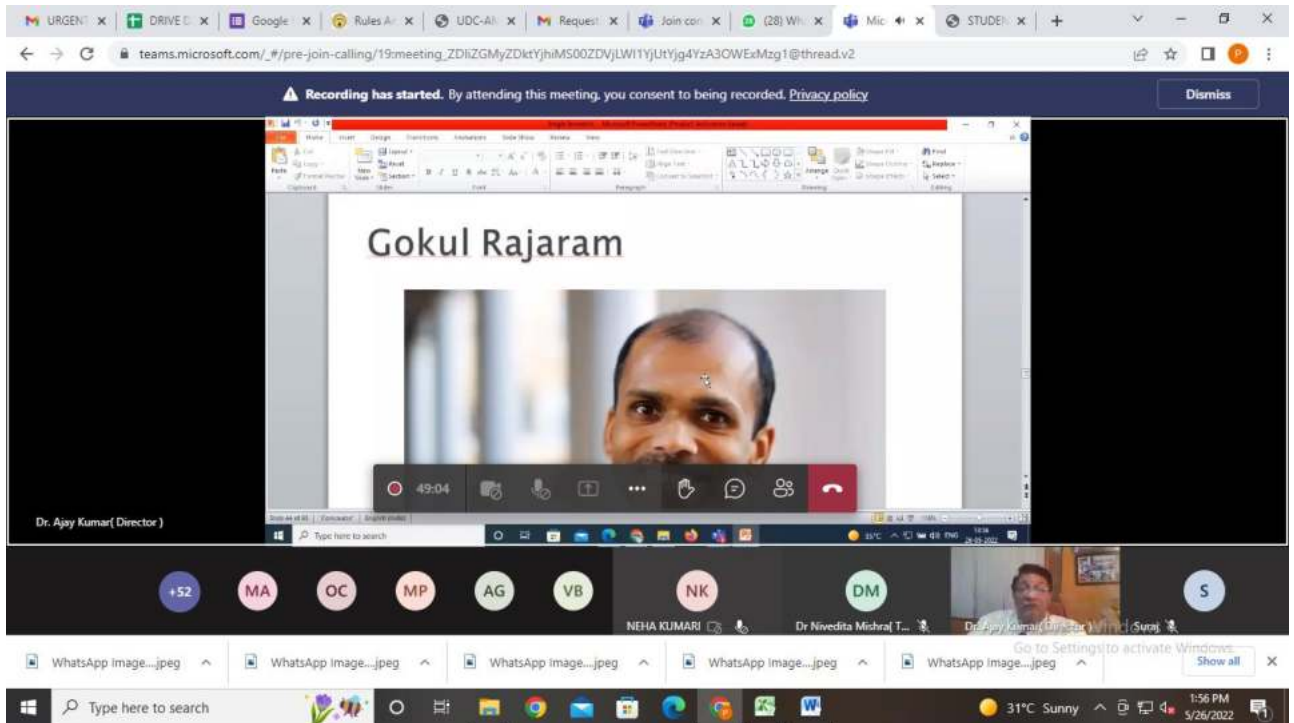

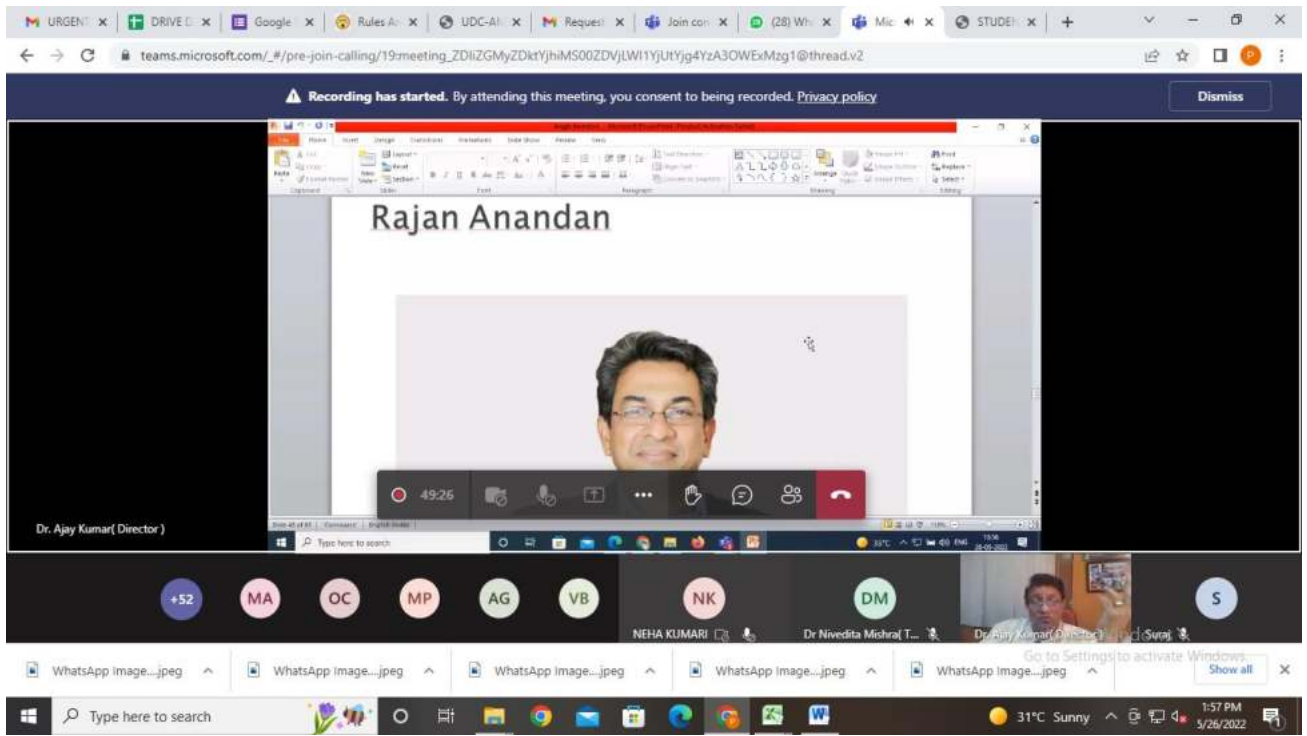

- The attendees' awareness about the concept of angel investors was enhanced
- The attendees' awareness about the venture capitalist was improved.

- The attendees' alert about the qualification and eligibility of became an angel investor
- The attendees' recognized the famous venture capitalists.

An angel investor is a high net-worth person who provides capital for small startups or entrepreneurs, usually in exchange for equity in the company.

The financial backing they provide may only be a one-time investment, or it could be ongoing financial support to help the new company in its early stages.

How Are Angel Investors Different From Venture Capitalists?

The main difference between angel investors and venture capitalists lies in their financial sources and the number of companies in which they invest.
