Dear Sir/Madam,

Greetings from AICTE!

Each AICTE approved college is expected to prepare a minimum number of faculty to mentor students and to teach UHV<sup>[1]</sup>. Only certified faculty members are eligible to teach the UHV courses. This is mentioned in the Approval Process Handbook also. Over and above that, forward liking colleges are preparing all its faculty and staff as another step towards holistic, value-based education. NCC-IP, AICTE has been organising various UHV FDPs for this purpose.

10 residential, face-to-face UHV-II FDPs are being arranged in December and January.

It is highly desirable for **faculty members**, **coordinators of potential nodal centers** and **university coordinators (UC, UCC)** to prepare themselves through Introductory UHV FDPs and UHV-II FDPs.

Two of these UHV-II FDPs have been kept specially for

- UHV Coordinators of institutions that aspire to be UHV Nodal Centers
- University UHV Coordinators (UC or UCC)

Pre-requisite: certificate of completion of an Introductory UHV FDP or higher level UHV FDP

By chance, if you have not yet participated in an introductory UHV FDP, please do attend one – there is one organised almost every week in the online or face-to-face mode.
