**Report: Description in (min 250 to max 800 words)\***

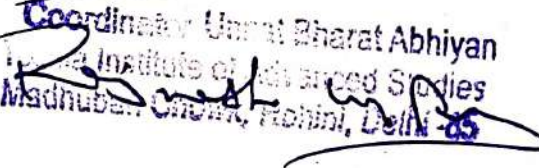

The Unnat Bharat Abhiyan Cell of the Tecnia Institute of Advanced Studies organised an awareness campaign on the environment at Bhalswa Dairy in Northwest Delhi on October 30, 2023. Dr. Rajnesh Kumar Pandey, coordinator of the UBA cell, conducted this activity. Under his guidance, a group of volunteers from the institute participated in the awareness campaign. The volunteers raised slogans related to the environment. They have invited people around and talked to them about the degradation of the environment, to which they all listened carefully. They have also shared their problems and complained about the municipal corporation of that area. The volunteers emphasised that people should plant more and more trees around their houses and not throw or burn plastic bags. The volunteers, along with the coordinator of the UBA cell, have visited the municipal office of the area and raised the issues faced by the local population of Bhalswa Dairy.
