Report Description

Tecnia Institute of Advanced Studies organized a workshop on 14th October, 2022 that was conducted by Dr. R.K. Bharti, Mr. D.S. Tomar and Ms. Nidhi. Students of 2nd and 3rd year were a part of this workshop.

The workshop started with a welcome speech by Dr. Deepak Sonkar (HOD-BCA), TIAS. He welcomed the guests of the day and addressed the gathering. The workshop was carried forward by Ms. Sania Kukkar, Convener of workshop. He thanked the guests for being a part of this workshop and also motivated the students and told them to grab this wonderful opportunity and learn new things. In his welcome speech, he asked students to remain focused and to put their constant efforts to achieve excellence, learn innovative things and discussed the significance of EAP.

The workshop started an introduction to entrepreneurship that was given by Mr. D.S. Tomar he told about the various types of schemes in EAP and its importance. He also presented some live demos and told the best software used for virtual EAP.

The workshop was followed by the introduction speech by Ms. Nidhi. She further continued by explaining the benefits of EAP in future. She explained the importance and uses of it with the help of a diagram. She shared his experience and discussed the different platforms available for being a IOT expert.

At the end she explained MSME and Students were able to grasp the benefits offered to MSMEs in India and got to learn a lot of new things. Overall the workshop was a great success.

In the end of the workshop, there was a question-answer round held where the students clarified their doubts regarding EAP Plans and also Dr. D.S. Tomar asked few questions related to the topic.

The webinar ended with a thank you speech/note that was given by the event convener Ms. Sania Kukkar.
