Dear Sir/Madam,

Greetings from AICTE!!

Each AICTE-approved college is expected to prepare a minimum number of faculty to mentor students and to teach UHV. Only certified faculty members are eligible to teach the UHV courses. This is mentioned in the Approval Process Handbook also. Over and above that, forward looking colleges are preparing all its faculty and staff as another step towards holistic, value-based education. NCC-IP, AICTE has been organising various UHV FDPs for this purpose.

10 residential, face-to-face UHV-II FDPs are being arranged in December and January.

Two of these UHV-II FDPs have been kept specially for

- UHV Coordinators of institutions that aspire to be UHV Nodal Centers
- University UHV Coordinators (UC or UCC)

In this context, kindly:

1. Motivate your UHV Coordinators (including UCs, UCCs, and UHV Coordinators of Potential UHV Nodal Centers) to register
2. Identify suitable faculty members from every department/branch/discipline and ensure their timely registration
3. Provide them duty leave to attend one of the UHV-II FDPs full-time (these are full-time residential FDPs)

Eligibility: faculty having at least one certificate of completion of an Introductory UHV FDP or higher level UHV FDP
