CAPTION: Celebration of International Day for Peace and Tolerance on 16<sup>th</sup> Nov 2023

## Report

The UHV cell of Tecnia Institute of Advanced Studies, New Delhi celebrated “International Day for Tolerance and Peace” in association with NSS, Photography Club, Graphixx Club, and Literary Club on 16<sup>th</sup> November 2023 at Tecnia Auditorium. In total 40 students from MBA and MCA programme participated in this event.

International Day for Tolerance, observed annually on November 16th, serves as a global platform to champion tolerance, respect, and understanding among people of diverse backgrounds and cultures. This day, instituted by UNESCO, reaffirms the principles of human rights and equality while promoting open-mindedness, empathy, and compassion.

The roots of International Day for Tolerance trace back to 1995 when the United Nations General Assembly adopted Resolution 51/95, designating November 16th as the day to promote tolerance globally. This decision followed the adoption of a Declaration of Principles on Tolerance by UNESCO’s Member States on the same day.

The entire program was handled by Dr. Preeti Jindal which gave all of us an inspiration as the day was celebrated as tolerance day. She gave some good words about the tolerance day as we all are future teachers. She handled the whole assembly with a vibrant energy and she has done her job well. Prayers are not just words that we listen to, they give us peace, strength and courage to handle what lies ahead. For making our day more blessed Mr. Piyush and Mr. Amit Sharma led us with a beautiful prayer which calmed everyone's mind. A formal promise towards our nation ...led us with pledge.

All students attentively participated in this session and the values we learnt in each day could inspire each one's life ahead.
