Happiness Club

REPORT

The **Happiness Club** of **Tecnia Institute of Advanced Studies (TIAS)** organised a winter clothes donation drive to help the poor and needy people. The collection drive was organised on 2nd December 2023 in TIAS Campus. The aims of this extension activity was to extend a helping hand towards the society and to feel a true happiness.

As the first step of this extension activity, the volunteers of Happiness Club placed cartons/boxes near the reception area for easy collection of clothes. Students also made posters appealing everyone to donate their unused clothes to help the ones in need. The students, faculty members as well as the non-teaching staff of the Institute donated generously in the collection drive, thus making it a huge success.

After the completion of the collection process, the volunteers categorised the donated clothes based on age groups. Further, the clothes were packed and organised into separate packets to ease the process of donation. On 2nd December 2023, the volunteers of Happiness Club went to Bhalswa Dairy to donate the clothes. The clothes were distributed to the people according to their need and requirements, thereby extending an helping hand to the society.

This event was successfully organised by Ms. Himani Chaudhary, Happiness club In-charge along with club coordinator.
