A competition was organized by Electoral Literacy Club of Tecnia Institute of Advanced Studies, Rohini, and Delhi. Electoral club of TIAS organizes Video Banaao, Prize Le Jao on 11th Nov and 12th Nov 2021 in the “Multi-Purpose Hall” in a way to spread awareness about electoral rights. The theme of the competition was “Value of single vote”, number of students from different department participated. It was three hours programme inaugurated by Dr. M.N. Jha (Dean BJMC) TIAS & Dr. Ajay Kumar, Director TIAS. This Eco- Club also played important role in educating students about the complete process of registration, as well as students make people aware about importance of electoral rights.

By this event the creative skills as well as the thinking ability of students may enhance and through their video the clarity over “value of each vote” also become clearer among students. There are many students who know about the fact that how valuable every vote is but don’t know about the process of registration. The cash prize of Rupees 2000 encourages more students to show their talents and present their views and making their video more interactive and more connecting.
