Report:

Tecnia Institute of Advanced Studies, organized an article writing competition centered around the theme "Digital India Transforming India." The event was spearheaded by the Literary Club of the Institute, under the guidance of Mr. Amit Sharma, and supported by student coordinators, Anjali and Pragyansh Tiwari.

The theme "Digital India - Transforming India" was carefully chosen to encourage participants to explore and express their thoughts on the role of technology and digitalization in shaping the future of our country. This theme resonates with India's ongoing journey towards becoming a digital powerhouse.

The article writing competition was open to all students of the Institute. Participants were required to submit original articles that addressed the theme in either hindi or english language, as per their choice.

The competition witnessed enthusiastic participation from students across various departments.

The articles showcased a wide range of perspectives, reflecting the depth of thought and creativity among the student community.

It provided a platform for students to express their views on the transformative power of digital technology in India.

It not only fostered creative thinking but also encouraged students to engage with pressing issues in the digital age.

The dedication of the Literary Club, along with the guidance of Mr. Amit Sharma and the active Involvement of student coordinators Anjali and Pragyansh Tiwari, played a crucial role in making this event impactful.

The event reflected Tecnia Institute's commitment to promoting intellectual growth and stimulating critical discourse.
