Report (Description)

The event was conducted on 30th October, 2023 and 31st October, 2023 under the convener Dr. Preeti Jindal. The Registration camp has been organized at TIAS PG Building, Ground floor. The election Officers came to the campus and made students aware about the registration on Voters Helpline app. Also, the election committee executives made the students aware about what is power of a single vote and what is the power of voting . The camp held for two days from 10:00 am onwards and many students and outsiders also got themselves registered on voters Helpline app. The campaign went very successful and students gave their valuable feedback and they also appreciated the organization of this camp. In their campus because they learnt new process of E- registration and students also shared about this camp with their friends and this has spread lot of awareness among the future generation that how they can update their details and what role a youth can play for increasing participation in electoral process of their country.

Students also learnt that what is the importance of casting a vote and how they can use their power of voting for the welfare and betterment of the country also student had a very healthy discussion with the executives that how they can make updating on voters helpline app. This campaign had not benefitted the students of in campus but also it benefitted the outside campus.

The election executives amicably satisfied the students and their queries solved. The Students also learnt a valuable message through this campaign that with the help of their power of voting they can select the right leader who will represent the country and work for their welfare as well as welfare of the society. Some students also got their voter Id cards and also those who were not having their voter id cards got it registered.
