Dear Unnat Bharat Abhiyan, RCI, IITD,

Thank you for reaching out and informing us about the LiFE (Lifestyle for Environment) Movement and the Samajshala initiative. We appreciate the opportunity to participate in these important programs and contribute to environmental sustainability.

### **LiFE Pledge and Awareness:**

We have disseminated information about the LiFE pledge among our faculty and students within the UBA network.

We will encourage them to take the pledge and upload their certificates on social media, tagging the specified accounts.

### **Samajshala in UBA Villages:**

We will identify individuals in our adopted village leading sustainable lifestyles and organize a gathering to share their experiences with the community.

We will document their stories, traditional practices, and any grassroots innovations related to environmental sustainability through videos and written reports.

We will present them with locally-made UBA mementos and use banners with mandatory logos during the program.

### **Webinar Participation:**

We will share information about the webinars conducted by RCI and NCI, IITD with our students and encourage them to participate actively.

We are committed to promoting environmental awareness and action within our institution. We believe that both the LiFE pledge and the Samajshala program are valuable initiatives that can lead to positive change.

Thank you again for bringing these opportunities to our attention. We look forward to your continued guidance and support.

Sincerely,

Programme Officer, NSS (SFU)  
Tecnia Institute of Advanced Studies
