Dear Unnat Bharat Abhiyan,

Thank you for reaching out and informing us about the opportunity to participate in the Lifestyle for Environment (LiFE) Movement through the Civil-20 (C20) Engagement Group.

We appreciate the importance of sustainability and are excited to support the LiFE movement. We will certainly share this information with our faculty members and students, encouraging them to learn more about LiFE and take the pledge.

We believe that spreading awareness and promoting sustainable practices are crucial steps towards a better future. We are confident that this initiative will have a positive impact on the environment and encourage individuals to make conscious choices in their daily lives.

Thank you again for this valuable initiative. We look forward to contributing to the LiFE movement through C20.

Sincerely,
