The Alumni Meet was organized by GGSIPU University on 18 Feb 2024 at Dwarka Campus to bring together former students of the organization and provide a platform for networking and reminiscing about their experiences.

Approximately 400 alumni attended the event. The attendees represented various batches, ranging from the early years of the institution's establishment to recent years. It was a diverse group consisting of professionals from different industries.

The Alumni Meet started with a welcome address by Prof. (Dr.) Mahesh Verma, Vice Chancellor. On the Silver Jubilee celebration it was announced that IP university has acquired land in Narela where in the coming years they would be establishing the campus for UG & PG programs. This session encouraged networking among the attendees and sparked conversations about career paths and industry insights.

Awards and Recognitions:

As part of the Alumni Meet, outstanding alumni were recognized and presented with awards for their exceptional achievements and contributions to their respective fields. These awards served as an inspiration to current students and showcased the organization's commitment to nurturing future leaders.

The event included the below activities-

- **Illusion Show**
- **Comedy Show**
- **Dance Performances**
- **Naradji.com Play Performances**

The event concluded with a group photograph and a networking dinner, providing an opportunity for the alumni to interact with each other informally. The relaxed atmosphere allowed them to share memories, exchange contact information, and plan future collaborations.

Outcomes:

The Alumni Meet served as a platform for alumni to reconnect with their former classmates, faculty, and the organization itself. It facilitated the exchange of ideas, experiences, and knowledge, fostering a sense of belonging among the alumni community. The networking opportunities created during the event have the potential to lead to collaborations, mentoring relationships, and professional growth for the attendees.

Conclusion:

Overall, the Alumni Meet was a resounding success, bringing together a diverse group of alumni and creating a meaningful platform for interaction and networking. The event fostered a sense of pride among the attendees and strengthened their bond with the organization. The positive feedback received from the alumni attendees highlights the significance of such initiatives in maintaining strong alumni relationships and building a robust alumni network.
