**Report: Description in (min 250 to max 800 words)\***

A session on Group Discussion was organized by Training and Placement Cell, TIAS on 4.10.2023 for the students of BBA 1st Year, Program under the ambit of Capability Enhanced Program. The speaker was Mr. Karan Babbar, Assistant TPO, TIAS, as Resource Person and Dr. Nivedita, Head Training and Placement Cell, TIAS

The Resource person Mr. Karan Babbar stated Group Discussion helps participants to develop their problem-solving skills, including their ability to identify problems, to brainstorm solutions, and to evaluate the effectiveness of different solutions.

The topic for discussion was “Hard Work v/s Smart Work” where students were allowed and given time to discuss on the topic. The students introduced the topic, then further discussed on the positives and negatives in relation to the topic

The discussion started with stating the Importance of Hard Work v/s Smart Work and how one can relate the importance of being a Smart Worker. The discussion was further guided by Speaker on the importance of Hard work and smart work and how in different situations one can be a smart worker.

Some Advantages attached with Hard work are:  
 -It leads to deeper understanding and mastery of skills;  
 - It is effective in situations requiring physical effort or brute force;  
 -Also it is oftenly valued for its dedication and

	<p>commitment.</p> <p>Some Advantages attached with Smart work are:  - It maximizes efficiency and productivity;  - It encourages innovation, creativity, and problem-solving;  - Also it helps in better work-life balance and thereby reducing stress.</p> <p>So at last the ideal approach lies in a blend of both hard work and smart work which means working diligently and putting in necessary efforts, prioritizing tasks and focusing on results that matter. Additionally, it involves continuously learning and improving your skills and knowledge.</p>
