Report: Description in (min 250 to max 800 words)*

A session on Group Discussion was organized by Training and Placement Cell, TIAS on 25.09.2023 for the students of MBA 2nd year, Program under the ambit of Capability Enhanced Program. The speaker was Mr. Karan Babbar, Assistant TPO, TIAS, as Resource Person and Dr. Nivedita, Head Training and Placement Cell, TIAS

The Resource person Mr. Karan Babbar stated Group Discussion helps participants to develop their problem-solving skills, including their ability to identify problems, to brainstorm solutions, and to evaluate the effectiveness of different solutions.

The topic for discussion was “One Nation One Poll” where students were allowed and given time to discuss on the topic. The students introduced the topic, then further discussed on the positives and negatives in relation to the topic.

As the topic suggests that there should be One Nation One Poll" (ONOP), also known as "simultaneous elections," has been a subject of much debate in India. It proposes holding national (Lok Sabha) and state assembly elections at the same time, instead of the current system of separate polls.

Arguments for ONOP:

- Reduced cost
- Increased Voter Count

	<p>-Improved Governance - National focus</p> <p>Arguments against ONOP: - Loss of local focus - Erosion of regional diversity -Logistical challenges</p> <p>So at last the discussion was moved looking at the potential benefits of ONOP and challenges. So finding a workable solution would require significant political consensus, addressing federalism concerns, and ensuring a level playing field for all parties.</p>
