About HCL TECH

HCLTech is a globally recognized leader in the tech and IT industry, but we've never forgotten the startup mindset that got us here. We've always approached our work with an idea-first attitude because every one of our accomplishments — no matter how big or small — can be traced back to an idea's single spark.

It's that spark — that inner drive — that sets our people apart from our competitors. It enables us not just to pull off game-changing feat after game-changing feat but to better our world in the process. We want you to find your spark. Because that's what drives you to be better, be more and, ultimately, be more fulfilled. At HCLTech, you'll find your career. And you'll find your spark. All at a place that knows that helping our customers stay on top starts by putting our people first.
