**Report: Description in (min 250 to max 800 words)\***

A session on Mock Interview session was organized by Department of Management Sciences (BBA), TIAS on 4.03.2024 for the students of BBA 2nd Year. The speaker was Dr Archana Dixit, Dr Shalini Gupta as Resource Person and Dr. Archana Dixit, HOD-DMS, TIAS

The Resource person Dr Archana Dixit stated Mock Interview Skills are a valuable tool for job seekers as they provide an opportunity to practice and refine their interview skills. They simulate a real interview experience and allow candidates to receive feedback on their performance.

He also highlighted that can help reduce anxiety and build confidence. Job interviews can be nerve-racking, especially for those who are not accustomed to them. By participating in a mock interview, candidates can become familiar with the interview format, questions, and overall process, which can help them feel more at ease.

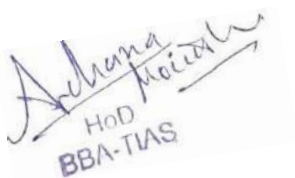

During the mock interview, the mock interviews can be tailored to specific job positions, industries, or companies. This allows candidates to practice for the specific role they are applying for and get a better understanding of what the employer may be looking for. With this targeted practice, candidates can showcase their relevant skills, experiences, and accomplishments, increasing their chances of success in the actual interview.

Lastly, the Mock Interview session helps in training and teaching you how to craft a thank-you note, maintain communication, and utilize networking

Recommendations, **if any-** Students are good, but need to focus more on academic and technical knowledge along with grooming standards. They should work hard on their introduction skills
