Objective:

- To evaluate the students' employability skill through interview
- To make students learn how to appear in interview.
- To make students learn how to respond in interview.
- To remove their hesitation in interview.
- To improve their body language at the time of interview.

Report:

Employability Index Test through interview was organized for BAJMC 3rd year students on 18th October 2022 by TIAS who are aiming to take jobs in various sectors after completion of their BAJMC degree who are willing to do jobs in different fields as per their ability and choice after completion of their BAJMC program. The purpose of organizing the session was to prepare the students for their placements. The evaluation was done on their subject knowledge and soft skills. The subject knowledge included theoretical knowledge, its practical application and latest development in the relevant area. The soft skills judged were their communication skill, body language, profile fitment,

introduction skill and confidence.

The selection of going through interview for Employability Index was based on the fact that mock interviews would be a practice sessions for the students about the look, sound, and feel of actual interviews. Mock interview provides an opportunity to student's actually practicing going through an interview, answering and asking questions, and hopefully learning about the rhythm and possible interview questions they will face in real life.

The panel consisted of Dr. Nivedita, Head, Training and Placement Cell and Mr. Mayank Arora, Assistant Professor, Department of Mass Communication. A total of 28 students participated in the test. Dr. Nivedita made the students comfortable and asked questions related to their field of interest. He provided a constructive feedback to the students regarding area of improvement not only for their technical knowledge but also in soft skills in a low - stressed environment. The two-hour session was coordinated by Mr. Mayank Arora, Assistant Professor, Department of Mass Communication followed by the collection of feedback by students. Mr. Mayank compiled the sheet with the marks and area of improvement

Learning Outcome:

- Students' were evaluated for their employability skills
- Students' got tips to increase their employability skills.
- Students' confidence level increased.
- Students were aware about their shortcomings, so that they can improve it
- Student's interview strategy was enhanced.
