<p>Values</p>	<p>To spread awareness in society about the polio vaccine.</p>
<p>Learning Outcomes</p>	<p>As we became more aware of this issue and prepared to present our findings to the public, we felt a growing sense of responsibility and connection to the cause. We realized that raising awareness about air pollution was not just important but also a moral obligation. This inspired us to take action not only in our presentations but also in our personal lives, making efforts to reduce our carbon footprints.</p>
<p>OBJECTIVES</p> <ul style="list-style-type: none"> • Protects against poliovirus types 1, 2, and 3. • Trivalent oral polio vaccine (tOPV) – protects against poliovirus types 1, 2, and 3 - following the "OPV Switch" in April 2016, tOPV is no longer in use. • Bivalent oral polio vaccine (bOPV) – protects against poliovirus types 1, and 3.

REPORT

On the 28th of September 2023, the talented students of the GrafixX club at Tecnia Institute of Advanced Studies came together to make a poster with a poignant message - "Polio

Vaccine." This performance was not just an art endeavor but also a powerful means of addressing a polio vaccine issue.

India achieved a major milestone with the World Health Organization (WHO) striking it off the list of polio endemic countries on 25 February 2012. (UNICEF, 2012) WHO recorded 23,800 cases of polio between 1988 and 13 January 2011 in India (Schaffer, 2012). Through polio eradication efforts, a significant investment has been made in strengthening health service delivery systems in many countries. An estimated 10 million health workers and volunteers have been engaged in implementing the necessary polio supplementary immunization activities (SIAs) on a recurring basis and at least 35 000 well-trained workers have been conducting polio surveillance (Goswami, 2007).

Overall, the poster on polio vaccination organized by the GrafixX club serves as a shining example of how the arts can be a catalyst for change and a source of inspiration for individuals and communities to come together and work towards a cleaner, healthier, and more sustainable future.
