Dear [Your Name/Department],

Thank you for the follow-up on NSS activities in adopted villages and the guidance for upcoming activities.

May 2023 Activity Report:

Our NSS Unit conducted a Cleanliness Drive in our adopted village, Bhalswa Dairy, on 15/05/2023. We mobilized 15 NSS volunteers and collaborated with 20 village residents for the activity.

During the drive, we focused on cleaning common areas like [List specific areas cleaned, e.g., streets, parks, public spaces]. We collected and disposed of waste materials responsibly, ensuring proper segregation and recycling where possible.

Upcoming Activities:

We have planned the following activities for June 2023:

Legal Aid Awareness Camp: We will collaborate with a local legal aid organization to organize a camp on [Date] to educate villagers about their legal rights and access to legal services.

Free Health Check-up Camp (Eye Check-up): We will partner with an ophthalmologist to conduct a free eye check-up camp for villagers on [Date]. This camp aims to identify potential vision problems and connect individuals with appropriate follow-up care.

We are committed to contributing to the well-being of our adopted village community and actively participating in the university's Silver Jubilee celebration initiatives.

Thank you for your support and guidance.

Sincerely,

Tecnia Institute of Advanced Studies Madhuban Chowk, Rohini, Delhi -85
