Recommendations: Expert member Mr. Adarsh Prakash Singh recommended Drone Journalism for Vac course and also suggest due to social media tools availability students are not showing interest to reading books, as a teacher we should motivate the students. Other Expert member Dr. Vikash Singh suggest theater activity is important part of this course we should to need focus in this area. Dr. Dharendra Kumar Rai suggests that content writing is best for Vac certification course. Some Other Expert member suggests Digital studios should be available for the students. Apart from this, technical equipment i.e. teleprompter, video editing software, separate media room, ICT enabled classroom and digital cameras should also be made available so that students can apply classroom learning for practical exposure. On this recommendation it has been made clear that institute already have above mentioned technical equipment.
