

Value Added Course

Session : 2023-24

Preface

Film has the power to captivate, educate, and inspire audiences like no other medium. This course is designed to introduce you to the art and craft of filmmaking, covering everything from storytelling techniques to technical skills and industry insights. Whether you're a budding filmmaker or simply curious about the magic behind the movies, this course will provide you with the knowledge and tools to bring your creative vision to life on the screen. Join us on this cinematic journey as we explore the art of storytelling through film.
