Date: 03.06.2022

Title: Report of Industrial / Field Visit of Jawahar Lal Nehru Stadium by 1st year students of BA(JMC).

About the Industrial / Field Visit –

For improving and enhancing the quality of academic curricula in the class of Sports Journalism Lab, Paper code: 160 for the students of 2nd Semester (2021-24), a One Day industrial/field visit were organized as per details given below:

Date	: 3rd June, 2022 (Friday)
Venue	: Jawahar Lal Nehru Stadium, New Delhi
Time	: 11:00 am to 5 :00 pm
Beneficiaries	: BA (JMC), 2 nd Semester, 1 st Shift (Div A & B) & 2 nd shift (Div A & B)
Topic	: Industrial / Field Visit of Jawar Lal Nehru Stadium for Experiential Learning.
Expert	: Mr. Raju Tandon, Mr. Avnish Kumar & Ms. Rakhi Tyagi

Objectives of the Workshop –

- To have the exposure of experiential learning by knowing the importance of SAI in the promotion and management of sports.
- To illustrate the importance of sports management and regulatory organizations.
- To develop the knowledge regarding promotion of physical and mental wellbeing through sports.
- To provide an opportunity to interact with the trainers and coaches of sports.

Learning Outcomes of the Workshop –

- Students got an extensive understanding of the sports infrastructure of Jawahar Lal Nehru stadium.
- Students interacted with the sports coaches and trainers which enhanced their vision towards types of sports playing in the field.
- Students got the technical information and the mechanism utilized in the field.
- The sport coaches and trainers spoke about the role of journalism in creating awareness in the field of sports. Students took the benefits of it.
- Students have visited the practice ground of different events which was a live experience for them.

Execution of the Workshop –

The visit was started sharply at 11:30 am in the first hour. The coordinator of the visit Dr. Rajnesh Kumar Pandey has spoken about the purpose of the visit. Afterwards the senior coach of SAI (Sports Authority of India) Raju Tandon has gave an overview about SAI and its different schemes running presently. The session was amazing as it has given substantial information and the operating model of SAI. Students got to know that how SAI is continuously working to create sport environment in the country and supporting emerging athletes at all levels. During the session, Mr. Avnish Kumar, the athletic coach of SAI has provided various nuances of athletics events organized in the stadium. He moved in the stadium along with the students and lectured about the events and given the field information. He spoke about the role of stadium in managing big tournaments. The students got the live experience of the field which was completely a new experience for them. In between Ms. Rakhi Tyagi, the women coach of SAI interacted with students and spoke about the success and achievements of women in sports. She also motivated students to raise the genuine issues from journalistic point of view.

Conclusion –

The experts were genius in their subject, and they have explained every topic and given excellent answers to questions asked by the students. The visit was smoothly handled by the coordinators. The visit has achieved its objectives and students learnt a lot about sports and sporting events.
