During the yesterdays conference call with the customer A, the issue came into focus, I have updated them need the new hardware and approval process involved in procurement. Since it has become a critical issue, they have went to the bigger authority and asked for the hourly update on this. Can you approve this request so that we can close this defect as soon as possible. the approval is essential since it is failed at the customer site and production is down. Looking forward from you. Thanks in advance. Thank you and with best regards

Attire- Men

- Male employees ideally should combine a simple shirt with trousers.
- The shirt should be properly tucked into the trouser for the professional look.
- Never roll up your sleeve
- Make sure the colors are well coordinated.
- Prefer a light color shirt with a dark trouser and vice versa
- A good pair of formal shoes
- Do not wear belts with flashy and broad buckles.
- Prefer soft leather shoes in black or brown color. Make sure your shoes are polished and laces properly tied.

 Combined Stress - II

Welcome to the second lesson of the eighth module which is on combined stress part II. In fact, in the last lesson we have discussed about or we have introduced the concept of the combined stress in a member where a particular member is subjected to a combination of loads, say the members, axial load and the stresses on the member and the loading we could be axial load and bending and various combinations of these different loads. Now we have also looked into that how do we compute the stresses when a particular member is subjected to the combination of these different loads.

Mandatory and Beneficial Degree Feedback

As informed by Col. Venkat, that the 360 Degree Feedback has been made mandatory for the purposes of promotion to all the faculties in AICTE approved institutions as per AICTE Gazette dated 01 March 2019 and will be a mandatory part of qualification in AICTE AQIS (financially funded schemes).

Approval Bureau will be validating for AICTE 360 Degree Feedback Institute Activation for the Academic Year 2021-2022 for Institute Approval and from next year onwards data and feedback both will be validated.

Protsahan Mudra will be used to calculate for

1. AICTE-Visvesvaraya Teachers Awards
2. AICTE-Vishwakarma Awards for Students

Compliments and Criticism

Positive Enquiry

Positive enquiry is a simple technique for handling positive comments such as praise and compliments

Negative Enquiry

The opposite of positive enquiry is negative enquiry. Negative enquiry is a way to respond to more negative exchanges such as receiving criticism.

Positive Enquiry

Example Situation

Sender:
"You made an excellent meal tonight, it was delicious!"

Receiver:
"Thanks. Yes, it was good. What did you like about it in particular?"

This is different from a passive response that may have been:
"It was no effort" or "it was just a standard recipe"

Example Situation

F- feedback R- response

F: "I'd like you to head the new department".
 R: "Don't you like the work I'm doing in my current position?"

What could this response have been ?

Negative Enquiry

Criticism: "You have been doing very sloppy work lately."

Unhelpful response:

"No, I haven't. I have been 100% productive and involved."
 "Well, you haven't been such a great boss, either!"
 "Oh, but you see, my son has not been well, and my dog has been having a cold, and my landlord has been troubling me last week, and my mother-in-law is in town, and ..."

Helpful response:

"I can understand why you might feel that way."
 "Himm. Can you give me an example?"
 "What is bothering you the most at the moment?"
 "Can you tell me what you'd like me to do differently?"
