ABOUT CONFERENCE

आज़ादी से पहले का समय याद करें …
हां, लोगों के काम करने के तरीके अलग–अलग थे
लेकिन लक्ष्य एक ही था और लक्ष्य बड़ा था–
भारत की स्वतंत्रता।

इस अमृत काल में हमें एक साथ आना होगा और विकसित भारत के
एक और बड़े लक्ष्य की दिशा में काम करें।

– प्रधानमंत्री नरेंद्र मोदी (15 अगस्त 2022 को लाल किले की प्राचीर से)

This insightful quote perfectly encapsulates the essence of the 39th National Conference on "Viksit Bharat@2047: दृष्टि और लक्ष्य 2047 उत्तरदायित्व युग के लिए परिवर्तनकारी रणनीतियाँ" which aims to "Viksit Bharat@2047 envisions an 'Indian Renaissance'—a cultural and intellectual awakening propelling India into a new era. Rooted in heritage yet forward-looking, it fosters innovation, social equality, and global collaboration. Embracing diversity, it celebrates traditional wisdom alongside modern advancements, empowering every citizen. Education becomes the cornerstone, nurturing critical thinking and creativity. Through sustainable development, it addresses societal challenges while preserving nature. 'Indian Renaissance' embodies unity in diversity, where ancient values harmonize with contemporary aspirations, shaping a vibrant, inclusive society poised for global leadership and collective prosperity."

A new chapter in India's journey already started on August 15, 2023, marking the start of a 9,000-day period leading up to India's 100th Independence Day on August 15, 2047. This period promises to bring about exciting developments and progress for the nation, heralding a new era for India. Prime Minister Narendra Modi, in a video conference address at Puttaparthi, Andhra Pradesh, emphasized that India's forthcoming 25 years of Independence would be dedicated to fulfilling its duties, referring to it as the "Kartavya Kaal" or the (Era of Responsibilities). The PM expressed India's commitment to prioritizing its responsibilities and named the period leading up to the 100th Anniversary of Independence as the "Kartavya Kaal" or the Era of Responsibilities.

The vision outlined by Prime Minister Narendra Modi for India in 2047 focuses on various aspects of national development and progress and to make

"INDIAN RENAISSANCE"
भारतीय पुनर्जागरण

Its right place in the world order.

With this premise, Tecnia Institute of Advanced Studies is contemplating a National Conference on the topic New India Vision for 2047: Transformational Strategies "For Kartavya Kaal" on 18th MAY 2024, The conference invites research papers, articles, overview, commentary, reports, opinions, suggestions, observance although following thematic aspects of the conference session.

विकसित भारत दृष्टि और लक्ष्य 2047

Developed India 2047 aims to make India a developed nation with economic growth, environmental sustainability, social progress and good governance.:

Democracy and Governance: Free, fair, and responsible journalism is the cornerstone of democracy. As India aims for more inclusive growth, journalism must act as a watchdog, holding power to account and ensuring transparency and accountability in governance.

Social Empowerment: Journalism has the power to voice the concerns of the marginalized, highlight social injustices, and catalyze social change. Empowering citizens with information leads to a more informed, engaged, and participatory society.

Economic Development: In-depth reporting on economic policies, market trends, and entrepreneurial ecosystems can contribute to informed decision-making and stimulate economic growth.

Technological Advancement and Digital Literacy: As India embraces technological innovation, journalism must adapt to new platforms and tools, ensuring that the benefits of technology are accessible to all. Additionally, journalists can play a crucial role in enhancing digital literacy among the populace.

Environmental Sustainability : With the growing urgency of climate change, journalism can raise awareness about sustainable practices, environmental policies, and the importance of conservation.

CONFERENCE OUTCOMES:

Increased awareness and understanding of the role of Communication in national development among conference participants.

Identification of key challenges and opportunities for industry in contributing to India's development goals by 2047.

Development of actionable strategies and recommendations for enhancing the effectiveness and impact of communication in driving socio-economic growth.

Establishment of partnerships and collaborations among organizations, government agencies, civil society groups, and other stakeholders to support the development agenda.

Dissemination of conference findings and recommendations through publications, media coverage, and online platforms to reach a wider audience and stimulate further dialogue and action. Vikshit Bharat
