Report

Tecnia Institute of Advanced Studies organized a blood donation camp in collaboration with "Mission Jan Jagriti" on 20th April, 2020 at Multipurpose Hall, PG Building of TIAS campus from 10:00 AM to 5:00 PM. The Camp was inaugurated by Dr N K Bhatia, President, Mission Jan Jagriti, Dr. Ajay Kumar, Director, Tecnia Institute of Advanced Studies, Dr M N Jha, Dean, Tecnia Institute of Advanced Studies and Ms Vaishali Prasad, NSS Programme Officer, TIAS. In this camp overwhelming number of Volunteers of different departments has participated with Vivacity. The blood donors were given Biscuits, Juices and Coffee Mugs after donating the blood in order to reenergize themselves. The blood donors were provided with a blood donation certificate card by Mission Jan Jagriti with one year validity. Seven Volunteers of rarest blood group have donated the blood in camp and 60 volunteers have participated for blood donation. The purpose of blood donation to fulfill the need of blood by needy people

The main aim of the event was to create awareness among students about the donation of blood and how it can help other person in need. Students from BJMC, MBA, BBA and MCA participated. We got a good response with a good number of students participating in the event. The aim behind the event is to spread awareness and join hands with Mission Jan Jagriti for a good cause. Mr Bhupendra Singh, Head, Mission Jan Jagriti appreciated the efforts of the institute congratulating them for successfully motivating students and creating awareness about the benefits of donating blood. The event concluded with a

	happening and cheerful remark. The Volunteer students were awarded with certificates and refreshment by Mission Jan Jagriti. At the end vote of thanks was extended by Dr. Ruchi Srivastava, Event Incharge and Ms Vaishali, NSS Programme Officer (UNIT-I)

	<p>campaign to control air and noise pollution. The Eco- Club have played an important role in the Anti – Fire Campaign and the students make people aware about the hazardous effects of bursting crackers on Diwali. Air Pollution affects overall health of an individual. The pollution increase manifold due to bursting of crackers. The adverse effect of bursting cracker seems unending. Even the frequent exposure to loud noises during pregnancy may affect the mother's womb as well.</p> <p>Crackers often contain elements like copper, cadmium, sulphur to produce vibrant colours once ignited. The harmful gases produced from the bursting of crackers, such as Nitrous Oxide, remains in the air for a long time if the city doesn't get enough rain or strong winds. Inhaling the fumes emitted by firecrackers increase the chances of asthma attack among patients. Heart patients and patients of chronic bronchitis and low immune system are at high risk too. The event disseminated information about the harmful effects of bursting fire crackers & also created awareness about the poor working conditions faced by the workers in the units manufacturing fire crackers.</p>

Report

REPORT This activity has been organized by the Fit India Youth Club of Tecnia Institute of Advanced Studies on 28.03.2022 in continuation of UGC's letter no 1-54/2019 (Website/Fit India) dated 13th December, 2019 regarding the implementation of "Fit India Campaign" in Higher Educational Institutions. In this event, Dr. Sarika had generated the awareness about the diseases one can suffer from bad toothache, teeth etc. All the participants (students and faculties) enjoyed this event and were glad that these types of events were organised in the institution where they can learn something about the infections that they can suffer if they will not take care of their teeth and grow

	themselves. This event generated awareness in the students and faculties of the Tecnia Institute of Advanced Studies about the dental ache diseases students are suffering and can suffer by not taking care. The main aim was to provide emotional concern for the students to build their mental health and to create awareness through this event.

Plantation by EBSB clubs of TIAS

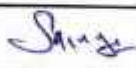

Plantation by various clubs of TIAS

Report: Description in(min 250 to max 800 words)*

The Government of India decided to celebrate the 74 years of Independence of India, with great excitement and tribute to freedom fighters. Becoming the part of this celebration, Tecnia Institute of Advanced Studies (TIAS), Rohini celebrated Independence Day with mega plantation drive. With this, EBSB club of TIAS has taken an initiative to organize this event along with tree plantation in District Park, Rohini. The event was started at 10 am in TIAS Auditorium and the event started with welcoming Sh. Pranav Tayal (Chief Guest), Sh. Anil Gupta (Guest of honor) and other dignitaries Dr. Ajay Kumar (Director, TIAS Rohini) welcomed the chief guest along with other dignitaries and enlightened students with his valuable words. Afterwards, hon'ble chief guest made students aware about history of our country and highlighted that India had 30% contribution in trade Industry which is more than present contribution of US. He also highlighted the strength of India by saying that yoga industry has a global business of 6 lakh crores and there are 1 lakh yoga teachers globally and all are Indians. The event continued with speech delivered by Radhika Kataria, student coordinator of EBSB club followed by a dance and singing performance.

	<p>Further, one outreach activity was also conducted after the encouragement by Hon'ble speaker. Therefore, students along with all clubs went to district park in Rohini and participated in tree plantation campaign. Moreover, students took a pledge on saving water and importance of trees in the human lives.</p> <p>More than 70 students actively participated in this event along with their parents and learnt valuable message from the event. Finally, a flag was hoisted by chief guest and then followed by mega plantation drive at District Park, Rohini by students as well as chief guests.</p> <p>In conclusion, the event was organized on the Independence Day with a theme of Azadi ka Mahotsav and students and society people participated in the event. Beside this, an outreach activity was also conducted as tree plantation campaign.</p>

Report:

Reference to email received from NSS Cell, GGSIPU on 20.04.2022 at 4:52pm, regarding celebration of International Day of Yoga (IDY) 2022 on 21st June, 2022.

In compliance of the same, NSS Cell, Tecnia Institute of Advanced studies celebrated International Yoga Day for the benefit of students and staff with the theme "Yoga for Humanity"

This celebration was intended to increase the knowledge of the students, faculties about benefits of Yoga physically, mentally and spiritually. The key focal point of the program was to make sure each individual gets awareness about way to perform Yoga.

The participants have learned about the different ways and postures to follow while doing the Yoga and related benefits on health and body and these students became the torch bearers of importance of yoga in their society and enlightened the people about the importance of Yoga. Ms Vaishali Prasad, NSS Nodal Officer welcomed Dr. Abhishek Bansal, Naturopath and Yoga Expert to conduct the yoga session.

Bound Ankle Pose

Sitting on the floor, bend knees and open them out to the side like a book. Join the soles of your feet together while sitting upright.

Place fingertips on the floor directly behind you and lengthen up through the spine. You can also hold onto your ankles and hinge forward at the hips.

Sukhasana or Easy Pose:

Amazing one for beginners as it gives one the

	<p>desired comfort. The asana is beyond the horizons of the physical dimension and gives a spiritual bliss. Sukhasana is best to reduce anxiety and stress and mental tiredness. It corrects the body posture and stretches the chest and spine.</p> <p>Dr. Ashutosh Bajpai Head IQAC, Associate Professor Tecnia Institute of Advanced Studies, New Delhi gave a vote of Thanks and expressed his gratitude towards Instructors by addressing them. He also performed the yoga with the instructors. He informed about the benefits and his inclination in practicing the art.</p>

<p>Report: Description:</p>	<p>With Reference to communication received from department of Delhi secretariat dated 25 Aug, 2021 to celebrate Azadi ka Amrit Mahostav Awareness drive on "water pollution" was organized by Eco Club of Tecnia Institute of Advanced Studies, Rohini, Delhi on 11-March-2022. TIAS propagated Eco Club under the aegis of Department of Environment, Government of NCT of Delhi, has been dispensed accountable for edifying the overall Environmental Quality and entrusted with the overall environmental assessment, monitoring, protection and awareness among the people of Delhi. Institute's Eco Clubs plays an important role in creating environmental awareness amongst the future generation. India is a rich cultural country in which various festivals are organized.</p> <p>Awareness Drive on Water pollution at Yamuna River:-</p> <p>A Group of students, Volunteers from various program have participated in it in this students were given brief about how dirty it is becoming day by day. Various causes were shared by nodal officer of Eco club-Ms. Sania Kukkar to students like how it is becoming a threat to health! More than 50% of the total waste of Delhi is thrown to the Yamuna. Untreated sewage. Immersion of idols directly into river which are not even eco-friendly and becoming a reason of harm to environment.</p>

Spreading Awareness About Equality For Health

Student's Photograph with Razapur Peoples

Report:

Tecnia Institute of Advanced Studies organized a visit to village Razapur to do door to door campaign and to spread awareness among villagers about covid vaccinations and precautions. Students from BBA, MBA, BCA and BA(J&MC) department have participated and coordinated for the same in order to work for a social cause. Volunteers went in the village and did social work following the protocols of Covid-19. They made citizens aware of correct conduct during the pandemic. The types of work done by the volunteers are as follows

- Sharing authentic Contact details for help: They also shared the contact details of helplines / social organisations to people in need.
- Volunteers created awareness among people in their neighborhood / society / social circle by sharing information's about Covid-19 virus and its effects, benefits of wearing mask, following proper SOPs and taking all the precaution prescribed by the Government of India and Health Ministry.
- Helping in registering for vaccination: Volunteers helped people to register for COVID Vaccine by demonstrating them how to register.
- Clearing Misconceptions: Volunteers cleared misconceptions about Covid19 in their acquaintances through personal counseling.

Report on "Self-Defense Programme on International Women's Day"

Title of Activity	Self-Defense Programme on International Women's Day
Values	Women Empowerment
Learning Outcomes	<ul style="list-style-type: none"> The students learnt about the different kinds of violence that may be faced by girls or by women in any place including at home. The student participants got different self-protection tips on how to avoid/defend by attacking a potential attacker by using objects or by striking on the soft spots of the attacker, when subjected to physical abuse, violence, crime, etc. The workshop concludes with a note on the promise from both the sides that these kind of workshops will be continued in the times to come.
Objectives	<ul style="list-style-type: none"> Promote Gender Equality Advocate for Women's Rights Encourage Women's Empowerment Support Women's Health Promote Equal Opportunities Support Women in Leadership Foster a sense of international solidarity among women and organizations worldwide, emphasizing the importance of a global effort to achieve gender equality.
Organized by	National Service Scheme
Program Theme	Gender equality today for a sustainable tomorrow

Students are motivated by Trainer

Students are motivated by Trainer

Report:

First tip: Prevention is the best self-defense- Attackers, whatever their objectives, are looking for unsuspecting, vulnerable targets. So be sure to follow general safety tips like being aware of your surroundings, only walking and parking in well-lit areas, keeping your keys in hand as you approach your door or car, varying your route and times of travel, and other personal security precautions.

Second tip: Get Loud and Push Back-As soon as the attacker touches you or it's clear that escape isn't possible, shout loudly (-BACK OFF!!) and push back at him or her. This does two things: it signals for help and it lets the attacker know you're not an easy target.

Third tip: Remember the Most Effective Body Parts to Hit-When you're in a confrontation, you only have a few seconds and a few moves to try before the fight may be decided. Before an attacker has gained full control of you, you must do everything you can— conserving as much energy as possible—to inflict injury so you can get away.

Eyes: Gouging, poking, or scratching the attacker's eyes with your fingers or knuckles would be effective, as you can imagine. Besides causing a lot of pain, this should also make your escape easier by at least temporarily interfering with his vision.

Nose: If the attacker is close in front of you, use the heel of your palm to strike up under his nose; throw the whole weight of your body into the move to cause the most pain and force him to loosen his grip on you.

Neck: The side of the neck is a bigger target, where both the carotid artery and jugular vein are located. You could possibly temporarily stun your attacker with a knife hand strike (all fingers held straight and tightly together, with thumb tucked and slightly bent at the knuckle) at the side of the neck.

Knee: Knee is an ideal self-defense target,

	vulnerable from every angle and easily kicked without risk of your foot being grabbed. Kick the side of the knee to cause injury or partially incapacitate your attacker.

Active Participation of Students in

Report:

A Cleanliness drive was organized by Tecnia Institute of Advanced Studies, Rohini area of Delhi on 10th August 2021. Dr. Kirti Miglani organized a meeting on 10th August, 2021. The meeting started with the introduction of Cleanliness Drive, Cleanliness Drive. John Keats ones said "The poetry of the earth is never dead", students of Tecnia Institute of advanced studies inculcate this perspective and in order to save earth from global warming and human deeds like afforestation students planted trees in their campus area and the surroundings. Dr. Kirti Miglani convener of the event said "We get oxygen and other components from nature which are necessary to survive so we should celebrate and thank mother earth and nature to give us so many things, it's our duty to at least plant trees in return and maintain sustainable development for the upcoming generations and also discussed about rules and regulations related

	<p>to an event.</p> <p>The special invitees of this event were Dr. Ajay Kumar (Director TIAS), Dr. Sonam (Incharge Students Welfare) and all the Departmental Heads with the respective faculty members of TIAS. He told about the importance of cleanliness and motivated students to participate in various activities related to Cleanliness. The student went to the nearby places and cleaned that area and also sensitized the students regarding cleanliness. The students were addressed by Director on Swachhta Phakwada and discuss about the importance of cleanliness in nearby areas. The teachers also shared various ideas with students regarding cleanliness and ways of plantation in their locality.</p>

Planation in District Park, Rohini

Planation in District Park, Rohini

Report:

On occasion of World Environment Day, NSS cell, Tecnia Institute of Advanced Studies, Rohini organized tree plantation drive and Painting Competition on 4th June, 2022. The theme of World Environment Day 2022 was "Only One

Earth" which draws our attention towards playing our role effectively while living in perfect harmony with nature - without proving a burden on it. On this day the students have planted the saplings in the institute also at various places in the society

The World Environment Day 2022 global campaign "Only One Earth" calls for transformative changes to policies and choices to enable cleaner, greener, and sustainable living in harmony with nature. It will focus on the need to live sustainably in harmony with nature, and our possibilities for shifting to a greener lifestyle through both policies and individual choices. "Only One Earth" was the motto for the 1972 Stockholm Conference. 50 years on, the motto is as pertinent as ever – this planet is our only home, and humanity must safeguard its finite resources.

John Keats ones said "The poetry of the earth is never dead", students of Tecnia Institute of advanced studies inculcate this perspective and in order to save earth from global warming and human deeds like a forestation students planted trees in their campus area and the surroundings.

Students brought different types of saplings and planted them in the campus in the pot and also planted at Rohini District park and at their home. Plants are important part of nature and for survival also. The ability of plants to control pollution and rejuvenate nature teaches us to plant more trees. Ms Vaishali Prasad, NSS- Nodal Officer of the event said "We get oxygen and other components from nature which are necessary to survive so we should celebrate and thank mother earth and nature to give us so many things, it's our duty to at least plant trees in return and maintain sustainable development for the upcoming generations.

The special invitees of this event were Dr. Ajay Kumar (Director TIAS) and Ms Vaishali Prasad (NSS- Nodal Officer), all the Departmental Heads with the respective faculty members of TIAS.

Report: Description

On 18th May 2022, the Happiness Club of Tecnia Institute of Advanced Studies organized a distribution of fruits in Bhalswa Dairy Village. Faculty members and students from TIAS campus participated in the donation effort. The purpose of this initiative was to instil the value of sharing in students to express care and experience of happiness. The drive's theme was "An Opportunity to Give Back to the Community and Bring Smiles to Others."

Generous donations poured in from students, faculty, and non-teaching staff, resulting in a tremendously successful collection drive. Following the completion of the collection process, volunteers sorted the donated fruit items by their variety. On the same day, 18th May 2022, we distributed these items to the needy people in Bhalswa Dairy.

Report: Description

The Electoral Literacy Club (ELC) organized awareness drive for young voters with the aim of promoting awareness and understanding of electoral processes among the lower and backward areas. In response to the imperative of engaging young voters in our democratic process, an extensive awareness drive was conducted targeting students across diverse educational institutions. A pivotal electoral awareness event was hosted at Rashtrapati Bhavan, attended by esteemed news reporters. The objective of the event was to underscore the importance of elections and civic participation among citizens, utilizing the historic venue to emphasize the democratic process in India. Interactive sessions were conducted by electoral experts and officials, elucidating the electoral process, voting rights, and the significance of voter participation in a democracy. These sessions aimed to enhance reporters' understanding of electoral intricacies and encourage accurate reporting on electoral matters. The primary objective was to educate and empower students regarding their role as young voters and the significance of active participation in elections. Through a series of workshops, seminars, and informational campaigns, students were equipped with comprehensive knowledge about the electoral system, voting procedures, and their rights and responsibilities as voters. Guest speakers, including electoral officials and local leaders, provided insights and answered queries, fostering a deeper understanding among students. Expert panels discussed electoral reforms, voter education strategies, and the role of media in promoting electoral awareness. These discussions provided insights into improving electoral practices and fostering a more engaged electorate. The outcomes were promising, with a noticeable increase in students' awareness of electoral procedures and their motivation to participate in civic activities. A significant number of students were successfully registered as voters, demonstrating the initiative's effectiveness in translating awareness into action. Despite logistical challenges and the need for sustained engagement beyond the immediate campaign period, the drive successfully laid the groundwork for continued efforts to foster a more informed and engaged electorate among young voters. Moving forward, ongoing collaboration with educational institutions and stakeholders will be essential to sustain momentum and ensure the long-term impact of such initiatives on our democratic landscape.
