Volunteers of NSS-TIAS promoting importance of health among Villagers.

**Report:**

National Service Scheme (NSS) organized “An Awareness Programme on World Health Day” on April 07, 2023. This initiative was taken to create an awareness in slum area people regarding health and hygiene. Students of various departments have taken the initiative to create awareness about Health and Hygiene.

Students selected the nearby slum area i.e., Village – Haiderpur, Rohini. They went for the venue and meet people of Haiderpur. Taught them, the importance of hygiene and its relevancy of basic hygiene with human health. Students were coordinated with Mr. Piyush Kumar (Program Officer, NSS) in the entire event. The basic content was as:

On 7 April 2023 – World Health Day – the World Health Organization will observe its 75th anniversary.

In 1948, countries of the world came together and founded WHO to promote health, keep the world

	<p>safe and serve the vulnerable – so everyone, everywhere can attain the highest level of health and well-being.</p> <p>WHO's 75th anniversary year is an opportunity to look back at public health successes that have improved quality of life during the last seven decades. It is also an opportunity to motivate action to tackle the health challenges of today – and tomorrow.</p>
