INTERNSHIP LETTER OF RECOMMENDATION

Dear Sir/Madam,

I gladly write this letter of recommendation for Eash Trehan and his numerous accomplishments as a Digital Marketing Intern for Pacific Carriers during the summer of 2020. As the Director of Pacific Carriers, I had the distinct pleasure of working with and overseeing Eash on a variety of marketing initiatives for the four Weeks he interned at our organization. When Eash joined us, he did not have any first-hand experience in communications, but he quickly exceeded our expectations by completing new and challenging projects at a professional level. As an Organization that depends on a strong marketing strategy, Eash's work left a lasting impact on our organization.

Eash's passion for understanding marketing principals is evident in his work. Eash is unique in that he not only has a great Digital Marketing sense and the technical know-how to contribute on a variety of Digital Platforms, but he also learned quickly how to integrate these ideas with our organizational objectives and this made it easy for us to trust him with high-level projects.

Additionally, Eash demonstrated professionalism and respect by timely submitting his projects and communicating clearly in Online meetings. We were impressed by his final internship presentation. Currently, Eash is finishing his degree in Journalism and Mass Communication but occasionally attends Online Meetings and Helps us in developing new marketing strategies. A graduate degree at your University will formalize his training and give him a specialization in marketing.

I therefore strongly recommend Eash as an Undergraduate student of Journalism and Mass Communication at your University. As the head of my Company, I have no doubt in my mind that Eash's diverse background has prepared him for graduate studies. His passion for Digital Marketing will make him as valuable in the classroom as he was in our organization. I am confident he will be a strong asset to your program.

Yours sincerely,

Sartha Singh
