The EBSBVB initiative aims to foster national integration and promote mutual understanding among students from different states. Join us as Tecnia Institute of Advanced Studies, Delhi, and a partner institution from Sikkim come together for enriching video conferencing sessions!

NODAL OFFICER
Dr. Monu Singh

Introduction

The EBSBVB (Ek Bharat Shreshtha Bharat Vidyalaya Bandhan) initiative aims to foster national integration and promote mutual understanding among students from different states. As part of this initiative, video conferencing sessions were organized between Tecnia Institute of Advanced Studies, Delhi, and a partner institution from Sikkim. These sessions provided a unique platform for students to engage in cultural exchange, academic discussions, and collaborative activities, enhancing their knowledge and appreciation of each other's backgrounds.

Learning Outcomes

The video conferencing sessions yielded significant learning outcomes for the participating students. Academically, students gained a deeper understanding of various subjects through discussions and debates on topics ranging from socioeconomic issues to technical innovations. Culturally, students developed a greater appreciation for the diverse traditions, languages, and customs of their peers. The sessions also helped in honing their communication, presentation, and critical thinking skills, as well as fostering a sense of national unity and mutual respect among the participants.

Execution of the Activity

Students executed the video conferencing activity with great enthusiasm and meticulous planning. Groups were formed based on their study areas to ensure relevant and meaningful interactions. Using reliable platforms like Zoom and Skype, they organized bi-monthly sessions, each lasting 1-2 hours. These sessions included literary discussions, debates, technical presentations, and cultural performances. The students ensured smooth execution by preparing in advance, coordinating with their counterparts, and actively participating in the discussions and activities, making the sessions both informative and engaging.

Learning Outcomes:

- Deeper understanding of various subjects through academic discussions and debates.
- Greater appreciation for diverse traditions, languages, and customs.
- Improved communication skills through active participation in discussions and presentations.
- Enhanced critical thinking abilities by analyzing different perspectives.
- Improved presentation skills and confidence in public speaking.
- Strengthened teamwork and collaboration skills with peers from different backgrounds.
- Fostered a sense of national unity and mutual respect among participants.
- Enhanced technical proficiency in using digital communication platforms.
