PREFACE

The Constitution of India seeks to secure for all its citizens, among other things, social and economic justice, equality of status and opportunity and assures the dignity of the individual. Article 46 of the Constitution provides that the State shall promote with special care the educational and economic interests of the weaker sections of the society and in particular, of the Scheduled Castes and Scheduled Tribes and shall protect them from social injustice and all forms of exploitation. Several provisions have been incorporated in the Constitution for safeguarding and promoting the interests of the Scheduled Tribes in various spheres so as to enable them to join the national mainstream. For effective implementation of various safeguards provided in the Constitution for the SCs & STs and, various other protective legislations, the Constitution provided for the appointment of a Special Officer under Article 338A of the Constitution to investigate all matters relating to these safeguards and to report to the President on their working. A Special Officer known as Commissioner for SCs & STs was appointed for the first time on 18 November, 1950. In order to facilitate effective functioning of the Office of Commissioner for SCs & STs 17 regional offices of the Commissioner were set up in different parts of the country.

2. It was, with the passage of time, felt by the Government that the Office of Commissioner for SCs & STs alone was not enough to monitor the implementation of Constitutional safeguards and accordingly a multi-Member Commission called Commission for Scheduled Castes and Scheduled Tribes was set up through an administrative order issued on 21 July, 1978. It was re-named as National Commission for SCs & STs vide the Ministry of Welfare's Notification dated 1 September, 1987 which also modified the functions of the National Commission for SCs & STs to avoid any overlapping with the functions of the Special Officer. It was decided that the National Commission for SCs & STs will be a National Level Advisory body to advise on broad issues on policy and levels of development of the SCs & STs and that it would submit its report to the Central Government.

3. The National Commission for Scheduled Castes and Scheduled Tribes set up by the Notification dated 1 September, 1987 was given Constitutional status by the Constitution (65th Amendment) Act, 1990. The first such National Commission for SCs & STs was constituted on 12 March, 1992 from which date the Office of the Commissioner for SCs & STs was abolished.

4. It was brought to the notice of the Government that geographically and culturally, the Scheduled Tribes were different from the Scheduled Castes and their problems were also different from those of the Scheduled Castes. In recognition of this public perception, a new Ministry of Tribal Affairs was created in October, 1999 to provide a sharp focus to the welfare and development of Scheduled Tribes. It was felt necessary that the Ministry of Tribal Affairs

should coordinate all activities relating to the Scheduled Tribes, as it would not be administratively feasible for the Ministry of Social Justice & Empowerment to perform this role. It was also felt necessary that a separate National Commission for Scheduled Tribes also be set up to safeguard the interests of Scheduled Tribes more effectively by bifurcating the existing National Commission for the Scheduled Castes and Scheduled Tribes. The National Commission for Scheduled Tribes is the outcome of this realization. This Commission has been set up with effect from 19 February, 2004 by amending article 338 and by inserting a new article 338A in the Constitution through the Constitution (Eighty-ninth Amendment) Act, 2003 which, inter-alia, enjoins upon the Commission to monitor all matters relating to the safeguards provided for the Scheduled Tribes under the Constitution or under any other law or under any order of the Government, and to participate and advise on the planning process of socio-economic development of the Scheduled Tribes.

5. Promotion of all round development of tribals inhabiting the length and the breadth of our country has received priority attention of the Government. There are numerous government policies for ensuring the welfare and well being of tribals. As a result of implementation of the various safeguards provided in the Constitution and development and welfare programmes undertaken by the Central Government and the State Governments, there has been considerable improvement in the socio-economic condition of Scheduled Tribes. There is, however, a long way ahead for achieving complete socio-economic equality and social integration of these communities.

6. It is essential to ensure that the programmes for development and empowerment of Scheduled Tribes are more vigorously pursued and the Government organizations, peoples' representatives, voluntary organizations and other concerned public and private agencies are more closely involved in bringing about social integration and economic development of Scheduled Tribes in a time bound manner. There is also need on the part of the implementing agencies at the cutting edge level to address the sensitivities and concerns of the tribals and involve them at the implementation stage to make the programmes more effective. The Commission hopes that concerted efforts on the part of all concerned will go a long way for all round upliftment of our tribal brethren.

6. I am glad to present the revised edition of the Handbook to you with the hope that it will be an useful information aid for providing better services to the noble cause of social and economic development of the Scheduled Tribes.

(CHAIRMAN)

1. INTRODUCTION

1.1 The framers of the Constitution took note of the fact that certain communities in the country were suffering from extreme social, educational and economic backwardness arising out of age-old practice of untouchability and certain others on account of the primitive agricultural practices, lack of infrastructure facilities and geographical isolation, and who need special consideration for safeguarding their interests and for their accelerated socio-economic development. These communities were notified as Scheduled Castes and Scheduled Tribes as per provisions contained in Clause 1 of Articles 341 and 342 of the Constitution respectively.

1.2 With a view to provide safeguards against the exploitation of SCs & STs and to promote and protect their social, educational, economic and cultural interests, special provisions were made in the Constitution. Due to their social disability and economic backwardness, they were grossly handicapped in getting reasonable share in elected offices, government jobs and educational institutions and, therefore, it was considered necessary to follow a policy of reservations in their favour to ensure their equitable participation in governance. For effective implementation of various safeguards provided in the Constitution for the SCs & STs and various other protective legislations, the Constitution provided for appointment of a Special Officer under Article 338 of the Constitution. The Special Officer who was designated as Commissioner for SCs & STs was assigned the duty to investigate all matters relating to the safeguards for SCs and STs in various statutes and to report to the President upon the working of these safeguards. The first Commissioner for SCs & STs was appointed on 18 November, 1950. In order to facilitate effective functioning of the office of the Commissioner for SCs & STs in accordance with the needs of the time, 17 regional offices of the Commissioner were set up in different parts of the country, which were headed by Assistant Commissioners for SCs & STs who were, in July, 1965 re-designated as Deputy Commissioners. In June, 1967, the 17 Regional Offices were re-organized into five Zonal Offices and placed under the control of a new created Directorate General of Backward Classes Welfare in the Department of Social Welfare. Each Zonal Offices was headed by a Zonal Director, Backward Classes Welfare (a newly created post) and the post of Deputy Commissioner for SCs & STs was re-designated as Deputy Director, Backward Classes Welfare and placed under the control of a Zonal Director located at Chandigarh (Northern Zone), Bhopal (Central Zone), Patna (Eastern Zone), Baroda (Western Zone) and Madras (Southern Zone).

1.3 On persistent demand from the Members of Parliament and other quarters that the Office of the Commissioner for SCs & STs alone was not enough to monitor the implementation of Constitutional safeguards, a proposal was moved for amendment of Article 338 of the Constitution for replacing the arrangement of one Member system with a multi-member system. While the amendment to Article 338 was still under consideration, the Government decided to set up a multi-member Commission through an administrative decision vide Ministry of Home Affairs' Resolution No.13013/9/77-SCT(1) dated 21.7.1978. The first Commission for SCs & STs was set up in August, 1978 with Shri Bhola Paswan Shastri as Chairman and other four Members. The field offices of the erstwhile Commissioner for Scheduled Castes and Scheduled Tribes which were transferred under the control of DG Backward Classes Welfare in 1967 were brought back under the control of this Commission. The Office of the Commissioner of SCs & STs and the Commission for Scheduled Castes and Scheduled Tribes, charged with the same functions continued to co-exist till 1 September, 1987.

1.4 In supersession of the above-referred Resolution of 1978, the functions of the Commission for SCs & STs set up in August, 1978 were modified vide Ministry of Welfare's Resolution No. BC-13015/12/86-SCD VI dated 1.9.87, and the Commission for SCs & STs was renamed as the National Commission for Scheduled Castes and Scheduled Tribes, consisting of a Chairperson and not more than 11 Members. This Resolution also demarcated the functions

of the Commissioner for SCs & STs, and the National Commission for SCs & STs. It was decided that only the Commissioner for SCs & STs would be submitting the Report to the President and that the National Commission for Scheduled Castes and Scheduled Tribes would conduct studies and would function as a National Level Advisory Body to advise the Government on broad policy issues and levels of development of Scheduled Castes and Scheduled Tribes and would submit its Report to the Central Government.

1.5 The National Commission for Scheduled Castes and Scheduled Tribes with Constitutional status came into being consequent upon passing of the Constitution (Sixty- fifth Amendment) Bill, 1990 which was notified on 8-6-1990 (**Annex-I**) and the Rules thereunder were notified on 3-11-1990. The first statutory Commission under the Constitution (Sixty-fifth Amendment) Act was constituted on 12-3-1992 and from the same date the Office of Commissioner for Scheduled Castes and Scheduled Tribes was abolished. Article 338 as amended by the Constitution (Sixty- fifth Amendment) Act, 1990, inter-alia, provided that the Commission would consist of a Chairperson, Vice-Chairperson and five other Members and that their conditions of service and tenure of Office will be such as the President may, by rule, determine. 2 CONSTITUTIONAL SAFEGUARDS

2.1 Article 46 is a comprehensive provision comprising both the developmental and regulatory aspects. It provides that “The State shall promote with special care the educational and economic interests of the weaker sections of the people, and in particular, of the Scheduled Castes and the Scheduled Tribes, and shall protect them from social injustice and all forms of exploitation”. In terms of these enabling provisions, various safeguards have been provided for socio-economic and educational development of Scheduled Castes and Scheduled Tribes in the Constitution of India.

2.2 Social Safeguards

- (i) **Article 23** prohibits traffic in human beings and beggar and other similar forms of forced labour and provides that any contravention of this provision shall be an offence punishable in accordance with law. It does not specifically mention STs but since majority of bonded labour belong to STs, this Article has a special significance for members of Scheduled Tribes. In pursuance of this Article, Parliament has enacted the Bonded Labour System (Abolition) Act, 1976. For effective implementation of this Act, the Ministry of Labour is running a Centrally Sponsored Scheme for identification, liberation and rehabilitation of bonded labour.
- (ii) **Article 24** provides that no child below the age of 14 years shall be employed to work in any factory or mine or engaged in any other hazardous employment. There are Central and State laws to prevent child labour. This Article is also significant for STs (as also of SCs) as a substantial portion of child labour engaged in hazardous jobs belong to these groups.

2.2.1 Special Economic Safeguards for Scheduled Tribes

The provisions of Articles 23, 24 and 46 mentioned above also form part of the economic safeguards for Scheduled Tribes as also of Scheduled Castes. The specific safeguards provided for the Scheduled Tribes are as mentioned below:

- (i) **Article 244:** According to Clause (1), the provisions of the Fifth Schedule shall apply to the administration and control of the Scheduled Areas and Scheduled Tribes in any State other than the States of Assam, Meghalaya, Mizoram and Tripura.

According to Clause (2), the provisions of the **Sixth Schedule** shall apply to the administration of the tribal areas in the States of Assam, Meghalaya, Mizoram and Tripura.

- (ii) The First Proviso to Article 275(1) of the Constitution of India guarantees grants from the Consolidated Fund of India each year for promoting the welfare of Scheduled Tribes and in pursuance of this Constitutional obligation, the Ministry of Tribal Affairs provides funds through the Central Sector Scheme “Grants under Article 275(1) of the Constitution”. The objective of the scheme is to meet the cost of such projects for tribal development as may be undertaken by the State Govts. for raising the level of administration of Scheduled Areas therein to that of the rest of the State. The scheme covers all the 21 Tribal Sub-Plan States and 4 other tribal majority States of the country. The grants are to be used essentially for creation and upgradation of critical infrastructure required to bring the tribal areas with the rest of the country. The basic purpose is to create opportunities conducive to income and employment generation. Due emphasis is given to infrastructure in sectors critical to enhancement of human development indices such as in health, education, income generation etc.

- (iii) **Fifth Schedule** contains provisions regarding the administration and control of the Scheduled Areas and Scheduled Tribes. There are nine States having Scheduled Areas, viz., Andhra Pradesh, Gujarat, Himachal Pradesh, Madhya Pradesh, Maharashtra, Orissa, Rajasthan, Chhattisgarh and Jharkhand. The Governors of these States have special responsibilities and powers. These States have Tribe Advisory Councils (TACs). (In addition, Tamil Nadu and West Bengal, which do not have any Scheduled Areas, also have statutory TACs). The Governors of these States have the power to make regulations for the peace and good governance of any Scheduled Area particularly for the following purposes:-
- (a) to prohibit or restrict the transfer of land by or among members of the Scheduled Tribes in such areas,
 - (b) to regulate the allotment of land to members of the Scheduled Tribes in such area,
 - (c) to regulate the carrying on of business as money lender by persons who lend money to members of the Scheduled Tribes in such area.
- (iv) **Sixth Schedule** contains provisions relating to the administration of the Tribal Areas in the States of Assam (North Cachar Hills District and Karbi Anglong District), Meghalaya, Mizoram and Tripura (Autonomous Hill District). There are Autonomous District Councils and Autonomous Regional Councils in these areas which have a long tradition of self-management systems. These Autonomous Councils not only administer the various Departments and developmental programmes but they also have powers to make laws on a variety of subjects, e.g., land, forest, shifting cultivation, village or town administration including village or town police and public health and sanitation, inheritance of property, marriage and divorce and social customs.

2.2.2 The following Orders are in operation at present in their original or amended form in respect of the Scheduled Areas:-

S.No.	Name of Order	Date of Notification	Name of State(s) for which applicable
1.	The Scheduled Areas (Part A States) Order, 1950 (C.O.9)	26.1.1950	Andhra Pradesh
2.	The Scheduled Areas (Part B States) Order, 1950 (C.O.26)	7.12.1950	Andhra Pradesh
3.	The Scheduled Areas (Himachal Pradesh) Order, 1975 (C.O.102)	21.11.1975	Himachal Pradesh
4.	The Scheduled Areas (States of Bihar, Gujarat, Madhya Pradesh and Orissa) 1977 (C.O. 109)	31.12.1977	Gujarat and Orissa
5.	The Scheduled Areas (State of Rajasthan) Order, 1981 (C.O.114)	12.2.1981	Rajasthan
6.	The Scheduled Areas (Maharashtra) Order, 1985 (C.O.123)	2.12.1985	Maharashtra
7.	The Scheduled Areas (States of Chhattisgarh, Jharkhand and Madhya Pradesh) Order, 2003 (C.O.192)	20.2.2003	Chhattisgarh, Jharkhand and Madhya Pradesh

2.3 Educational and Cultural Safeguards

- (i) **Article 15(4)** empowers the State to make any special provision for the advancement of any socially and educationally backward classes of citizens or for SCs and STs. This provision was added to the Constitution through the Constitution (First Amendment) Act, 1951, which amended several Articles. This provision has enabled the State to reserve seats for SCs and STs in educational institutions including technical, engineering and medical colleges and in Scientific & Specialized Courses. In this Article as well as in Article 16(4), the term ‘backward classes’ is used as a generic term and comprises various categories of backward classes, viz., Scheduled Castes, Scheduled Tribes, Other Backward Classes, De-notified Communities (Vimukta Jatiyan) and Nomadic/Semi-nomadic communities.
- (ii) **Article 29(1)** provides that “any section of the citizens residing in the territory of India or any part thereof having a distinct language, script or culture of its own shall have the right to conserve the same”. This Article has special significance for all the Scheduled Tribes. Santhals have a script of their own, viz., Olchiki. But this provision needs not be understood to educate Tribals only in their language and thereby making them isolated. Tribals should be educated in the language of the State as well as National Language to expose them to the outside knowledge.
- (iii) **Article 350 A** provides that “It shall be the endeavour of every State and of every local authority within the State to provide adequate facilities for instructions in the mother-tongue at the primary stage of education to children belonging to linguistic minority groups, and the president may issue such directions to any State as he considers necessary or proper for securing the provision of such facilities”. Most of the tribal communities have their own languages or dialects, which usually belong to a different family of languages than the one to which the State’s official language belongs.

2.4 Political Safeguards

- (i) **Article 164(1)** provides that in the States of Bihar, Madhya Pradesh and Orissa there shall be a Minister in charge of tribal welfare who may in addition be in charge of the welfare of the Scheduled Castes and backward classes or any other work.
- (ii) **Article 330** provides for reservation of seats for Scheduled Castes and Scheduled Tribes in the House of the People.
- (iii) **Article 332** provides for reservation of seats for Scheduled Castes and Scheduled Tribes in the Legislative Assemblies of the States.
- (iv) **Article 334** originally laid down that the provisions relating to the reservation of seats for SCs/STs in the Lok Sabha and State Vidhan Sabhas (and the representation of the Anglo-Indian community in the Lok Sabha and the State Vidhan Sabhas by nomination) would cease to have effect on the expiration of a period of ten years from the commencement of the Constitution. This Article has been amended five times, extending the said period by ten years on each occasion. This provision will now expire in January, 2010.
- (v) **Article 243D** provides for reservation of seats in Panchayats
- (vi) **Article 371A** contains special provisions with respect to the State of Nagaland.
- (vii) **Article 371B** contains special provisions with respect to the State of Assam
- (viii) **Article 371C** contains special provisions with respect to the State of Manipur.
- (ix) **Article 371F** contains special provisions with respect to Sikkim.

2.5 Service Safeguards

The main objective for providing reservations for Scheduled Tribes (as also for SCs & OBCs) in civil posts and services of the Government is not just to give jobs to some persons belonging to these communities and thereby increase their representation in the services but to uplift these people socially and educationally with a view to empower them to join the national mainstream. The relevant Articles of the Constitution which govern the entire reservation set-up are mentioned below:

- (i) **Article 16(4)** : This Article provides that "Nothing in this Article shall prevent the State from making any provision for the reservation in appointments or posts in favour of any backward class of citizens which, in the opinion of the State, is not adequately represented in the services under the State".
- (ii) **Article 16(4A)** : This Article was added in the year 1995 to provide for that "Nothing in this Article shall prevent the State from making any provision for reservation in matters of promotion to any class or classes of posts in this services under the State in favour of the Scheduled Castes & Scheduled Tribes which, in the opinion of the State, are not adequately represented in the services under the State". [**Constitution (Seventy-seventh Amendment) Act, 1995**]
- (iii) **Amended Article 16(4A)** : Article 16(4A), inserted by the Constitution (77th Amendment) Act, 1995, was further amended in the year 2001 to substitute the words "in matters of promotion to any class" by words "in matters of promotions, with consequential seniority, to any class" vide the **Constitution (Eighty-fifth Amendment) Act, 2001**. This amendment was made operative retrospectively from 17 June 1995, i.e. the date of addition of this Article vide the Constitution (Seventy- seventh Amendment) Act, 1995.
- (iv) **Article 16(4B)**: This Article provides that "Nothing in this article shall prevent the State from considering any unfilled vacancies of a year which are reserved for being filled up in that year in accordance with any provision for reservation made under clause (4) or clause (4A) as a separate class of vacancies to be filled up in any succeeding year or years and such class of vacancies shall not be considered together with the vacancies of the year in which they are being filled up for determining the ceiling of fifty percent reservation on total number of vacancies of that year". [**Constitution (Eighty-first Amendment) Act, 2000**].
- (v) **Article 335**: This Article provides that "The claims of the members of the Scheduled Castes and the Scheduled Tribes shall be taken into consideration, consistently with the maintenance of efficiency of administration, in the making of appointments to services and posts in connection with the affairs of the Union or of a State". The following proviso was added to this Article by the **Constitution (Eighty-second Amendment) Act, 2000**-

"Provided that nothing in this article shall prevent in making of any provision in favour of the members of the Scheduled Castes and Scheduled Tribes for relaxation in qualifying marks in any examination or lowering the standards of evaluation, for reservation in matters of promotion to any class or classes of services or posts in connection with the affairs of the Union or of a State".
- (vi) **Article 320 (4)**: Clause (3) of Article 320 of the Constitution, inter alia, provides that the Union Public Service Commission or the State Service Public Commission, as the case may be, shall be consulted on all matters relating to methods of recruitment to civil services and for civil posts, and on the principles to be followed in making appointments

to civil services and posts and in making promotions and transfers from one service to another and on the suitability of candidates for such appointments, promotions or transfers. Clause (4) of this Article, however, provides that "Nothing in clause (3) shall require a Public Service Commission to be consulted as respects the manner in which any provision referred to in clause (4) of article 16 may be made or as respects the manner in which effect may be given to the provisions of article 335".

3. FUNCTIONS AND DUTIES OF THE COMMISSION

3.1 The functions and duties of the National Commission for Scheduled Tribes have been laid down in Clause (5) of the Article 338A of the Constitution. Clause (5) states that it shall be the duty of the Commission:

4. POWERS OF THE COMMISSION

4.1 Clause (8) of Article 338A provides that the Commission shall, while investigating any matter referred to in sub-clause (a) or inquiring into any complaint referred to in sub-clause (b) of Clause (5) have all the powers of a civil court trying a suit and in particular in respect of the matters, namely:- (a) summoning and enforcing the attendance of any person from any part of India and examining him on oath; (b) requiring the discovery and production of any documents; (c) receiving evidence on affidavits; (d) requisitioning any public record or copy thereof from any court or office; (e) issuing commissions for the examination of witnesses and documents; (f) any other matter which the President may by rule, determine.

4.2 The Indian Overseas Bank Officers Association and Others in C.W.P. No.1362 of 1993 and C.M. No.2193/93 challenged an order in the form of a letter dated 4 March, 1993 issued by a Member of the erstwhile National Commission for Scheduled Castes and Scheduled Tribes by which the Hon'ble Member had directed the Indian Overseas Bank "to stop the promotion process pending further investigation and final verdict in the matter". The Hon'ble High Court of Delhi vide their judgment dated 17 May, 1993 in this case allowed the petition and set aside the order dated 4 March, 1993 issued by the Member of the erstwhile NCSCST. The judgment of Hon'ble High Court of Delhi was challenged by All India Indian Overseas Bank SC & ST Employees' Welfare Association and Others in the Hon'ble Supreme Court of India. The Hon'ble Supreme Court vide their judgment dated 31 October, 1996 in Civil Appeal No.13700 of 1996 dismissed the appeal and held that the Hon'ble High Court of Delhi was justified in taking the view it did. The Hon'ble Supreme Court further held that all the procedural powers of a civil court given to the National Commission for Scheduled Castes and Scheduled Tribes by Article 338 (8) of the Constitution of India are for the limited purpose of investigating any matter under Article 338 (5) (a) or enquiring into any complaint under Article 338 (5) (b). The apex Court further held that the powers of a civil court of granting injunctions, temporary or permanent, do not inhere in the Commission nor can such a power be inferred or derived from a reading of Clause (8) (c) of Article 338 of the Constitution. The Commission having not been specifically granted any power to issue interim injunctions lacks the authority to issue an order of the type found in the letter dated 4 March, 1993 directing the Indian Overseas Bank to stop the promotion process pending further investigation and final verdict in the matter. The Hon'ble Supreme Court had further held that the Commission has the power to summon and enforce the attendance of any person from any part of India and examine him on oath; it can require the discovery and production of documents, so on and so forth. It was stated that all these powers are essential to facilitate an investigation or an enquiry. Such powers do not convert the Commission into a civil court. These observations of the Hon'ble Supreme Court were brought to the notice of all the Ministries and Departments of Govt. of India by the Department of Personnel & Training vide their O.M.No.36036/2/97- Estt. (Res.) dated 1 January, 1998 (**Annex.VI**) for their information and guidance.

5. CONSULTATION WITH THE COMMISSION

5.1 Section (9) of Article 338A of the Constitution provides that " The Union and every State Government shall consult the Commission on all major policy matters affecting Scheduled Tribes". This is one of the very important functions assigned to the Commission, which enjoins

upon all the Central Ministries/Departments/Organizations and the State Govts. to seek the comments of the National Commission for Scheduled Tribes on all important policy matters which affect the interests of Scheduled Tribes. This function helps the Commission to keep track of all the major policy decisions, and legislative and executive actions taken by the Govt. of India or any State Govt. in relation to Scheduled Tribes. In view of the mandatory nature of this provision, the Commission solicits the support of all concerned to bring to its notice new policies and changes in existing policies, which have bearing on the interests of Scheduled Tribes.

5.2 The Commission, in terms of Clause 5 (c) of Article 338A is required to participate and advise on the planning process of socio-economic development of STs and evaluate the progress of the development under Union or any State. The role of the Commission in these areas involves interaction at various levels, i.e. with the Planning Commission with the Central Ministries and with the State Govts.

5.3 The Commission and its officers participate in formulation of policies and in the developmental programmes for Scheduled Tribes including Tribal Sub-Plan.

6. COMMISSION'S REPORT

In terms of Clause (5) (d) of Article 338A of the Constitution, the Commission makes recommendations to the Government on a variety of issues relating to Scheduled Tribes ranging from reservation in Govt. posts and services to development matters through its reports which are submitted to the Hon'ble President of India annually or at such other times as the Commission may deem fit. The President of India, in terms of Clause (6) of Article 338A causes the reports to be laid before each House of Parliament with a Memorandum explaining the action taken or proposed to be taken on the recommendations relating to the Union and the reasons for non-acceptance, if any, of such recommendations contained in the report. On similar lines where any such report or any part thereof relates to the State Govt., the Governor of the State, in terms of Clause (7) of Article 338A, causes it to be laid before the Legislature of the State along with a Memorandum explaining the action taken or proposed to be taken on these recommendations relating to the State and the reasons for non-acceptance, if any, on any of such recommendations. The first report of the Commission covering two years period, 2004-05 and 2005-06 was submitted to the President of India by the Commission on 8 August, 2006.

7. PROCEDURE FOR INQUIRY

7.1 The Commission is required to inquire into specific complaints with respect to the deprivation of rights and safeguards of Scheduled Tribes. In order to enable the Commission to perform this function within manageable limits, the Commission would like to appeal to members of ST that before submitting any specific complaint to the Commission for redress of their grievances they should clearly state if and how there has been a violation of their rights and safeguards. The Commission would not like to be burdened with flimsy or irrelevant complaints. A large number of representations are regularly received from ST employees working in Government Departments, public sector undertakings and autonomous bodies. The Commission would like them to know that it will be in a position to inquire into their service grievances only if there has been a violation of any provision of the Acts governing reservation in services and posts for Scheduled Tribes (wherever there are such Acts in position) or the orders contained in the brochures relating to reservation matters issued by the Department of Personnel & Training, Department of Public Enterprises in relation to the public sector undertakings, the Banking Division of the Department of Economic Affairs (Ministry of Finance) with reference to the financial institutions, Ministry of Railways etc.

7.2 The following aspects are required to be kept in mind while filing complaints before the Commission:-

- (a) The complaint should be directly addressed to the Chairman/Vice-Chairman/Secretary, National Commission for Scheduled Tribes, New Delhi. No action will be taken on petitions/representations, which are addressed to other authorities with only an endorsement to the National Commission for Scheduled Tribes.
- (b) The complainants should disclose their full identity and give full address and should sign the representation. No action will be taken on an unsigned complaint.
- (c) Complaints should be legibly written or typed and, where necessary, supported by authenticated documents.
- (d) No action will be taken in cases which are subjudice or in which a court has already given its final verdict and, therefore, such cases need not be referred to the Commission.
- (e) The Commission will also not intervene in vigilance and disciplinary cases as no safeguards have been provided to the employees belonging to Scheduled Tribes in such matters and also that the Commission is not an appellate authority in such cases and that there is an elaborate well-defined procedure prescribed for making an appeal for reconsideration by the competent authorities. If the Commission, however, finds that the prescribed procedure in disciplinary/vigilance matters has not been followed and the petitioner, on that count, has been put to disadvantage or that the quantum of punishment is disproportionate to the gravity of the offence or that the petitioner has been put to harassment on account of his belonging to Scheduled Tribe etc., the Commission may entertain the petitions from the aggrieved ST officers and take up the matter with the concerned organization.
- (f) The Commission will also not intervene in matters pertaining to merits of adverse remarks in the Annual Confidential Reports of the officers/officials as no safeguards have been provided to the employees belonging to Scheduled Tribes in the assessment of their performance and also that there is a prescribed procedure to represent against the adverse remarks to the competent authorities.
- (g) No concessions have been provided to the ST officers holding Group A and Group B posts and, therefore, the Commission will not entertain the petitions relating to grievances arising from transfer of such officers from one office to another office of the same organization in the same city or from one station to another station. However, if the Commission finds that the transfer of the said ST officer has been made in clear violation of the transfer policy (if there is any in that organization) or it has been made with a view to harass the officer only on the ground that he belongs to a weaker section like Scheduled Tribe, it may entertain the petitions from the aggrieved ST officers and take up the matter with the concerned organization.

7.3.1 The Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) Act, 1989 (**Annex.VII**) was passed by the Parliament on 16 August, 1989 and received the assent of the President on 11 September, 1989 and came into force on 30 January, 1990. The Act aims at preventing the commission of offences of atrocities against the members of the Scheduled Castes and the Scheduled Tribes. Section 3(1) and 3(2) describe the various types of offences of atrocities on the members of Scheduled Castes and Scheduled Tribes by non-SC/ST persons. Section 4 makes the Act applicable to a public servant who is not SC/ST for willfully

neglecting his duties required to be performed by him under this Act and provides for imprisonment for a term which shall not be less than six months and which may extend one year.

7.3.2 In exercise of the powers conferred by sub-section (1) of Section 23 of the SCs and STs (POA) Act, 1989, the Central Govt. have made the SCs and the STs (Prevention of Atrocities) Rules, 1995 (**Annex.VIII**). Section 3 of these Rules assigns certain duties to the State Govt. with a view to prevent atrocities on SCs and STs. Section 12 of these Rules, inter alia, assigns certain duties to the district administration which include making arrangements for providing immediate relief in cash or kind or both to the victims of atrocity, their family members and dependents according to the scale as given in the schedule annexed to these Rules. Such relief includes food, water, clothing, shelter, medical aid, transport facilities and other essential items necessary for human beings.

7.3.3 Whenever information is received in the Commission about any incident of atrocity against a person belonging to Scheduled Tribes, the Commission immediately gets in touch with the law enforcing and administrative machinery of the concerned State and the district to ascertain the details of incident and the action taken by the district administration. The Commission ensures the following while by monitoring and issuing instructions to the concerned authorities:

- (i) Whether the scene of occurrence of the crime has been visited immediately by Collector and Supdt. of Police of the district on receipt of information.
- (ii) Whether proper FIR is registered in local Police Station.
- (iii) Whether names of all the persons involved/cited by the complainant has been included in the FIR.
- (iv) Whether investigation has been taken up by a Senior Police Officer as per provisions of Scheduled Castes & Scheduled Tribes (Prevention of Atrocities) Act, 1989.
- (v) Whether culprits has been apprehended and booked without loss of time.
- (vi) Whether proper chargesheet has been filed mentioning the relevant sections of IPC together with the SCs & STs (POA) Act, 1989 in the Court.
- (vii) Whether the cases are tried by the Special Courts.
- (viii) Whether Special Public Prosecutors have been appointed to handle these cases.
- (ix) Whether Police assists the courts in bringing forward witnesses and see that the culprits are suitably punished by the courts.

7.3.4 The Commission also monitors to ensure that:

- (i) the victims are provided with suitable medical assistance and on time;
- (ii) adequate protection is arranged for the victims of such incidents by providing police protection by stationing a police party, by patrolling, etc;
- (iii) proper compensation is paid to the victims as per provisions of law.

7.3.5 The Commission, wherever possible and depending upon the gravity and circumstances of the case, also visit the place of incident to oversee the arrangements, in particular the action taken by the State Govt. to provide the necessary relief and rehabilitation to the victims of the atrocities or their family members and also the arrangements made by the State Govt. for treatment of the injured and infuse confidence among the victims.

8. APPROACH AND METHODOLOGY ADOPTED BY THE COMMISSION.

8.1 The Commission receives a large number of representations from individual members of Scheduled Tribes or their associations etc. These representations/petitions either pertain to the violation of the reservation instructions in services, (ii) problems relating to the socio-

economic development of Scheduled Tribes such as admission in educational institutions, land alienation matters etc. and (iii) atrocities on members of Scheduled Tribes by non-Scheduled Tribe persons. These representations are referred to the concerned organizations of the Central Govt. or the State Govts. by the Commission requesting them to furnish full facts within a given timeframe. The facts furnished by the concerned organization are examined by the Commission and in case the Commission feels that there has been violation of the safeguards provided to the members of Scheduled Tribes either in the Constitution or under any other law or order of the Government, it advises the concerned organization to take corrective measures. The concerned organizations are advised to take follow up action on the Commission's recommendations/observations within a given timeframe and apprise the Commission of the action taken position. In case there is no response to the Commission's letter within a reasonable period of time, the Commission calls the senior executive(s) of the concerned organization to appear before the Commission and explain their position with reference to the points raised in the petitions. The minutes of these hearings are recorded after the conclusion of the discussions either on the same day or within a week's time thereafter and a copy thereof sent to them for taking appropriate action and to inform the Commission of the action taken by them on its advice within a given timeframe.

8.2 In order to monitor and evaluate the implementation status of various development schemes, and investigation and disposal of the cases of atrocities on the members of Scheduled Tribes by the police authorities and the courts, the Commission interacts with the State/UT Governments by holding detailed State level review meetings with the Chief Secretaries and other senior officers through visits to the States and UTs. These meetings are generally preceded with visits to the tribal Bastis, hostels, Ashram Schools etc. and interactions with them on the impact of the developmental projects. The Commission has noticed that these visits and meetings have been greatly instrumental in enhancing the interests and involvement of the State/UT Governments in better understanding of the genuine problems of the Scheduled Tribes and accordingly, in advising them to take suitable initiatives in working out remedial measures and adopting appropriate and relevant strategies. The State level review meetings with the senior officers of the State Govts. including Chief Secretaries are generally taken by the full Commission or by its Chairman accompanied by Member/Members. **To facilitate effective review, the information (annual or periodical) is called for from the State Govts. A copy of the d.o. letter dated 4 August, 2006 sent to the Chief Secretary of the State Govts. in this regard along with Proformae I II & III given at Annex. IX.**

8.3 The Commission also undertake review meetings with the district level officers to assess the impact of the developmental schemes, and investigation of the cases of atrocities on members of Scheduled Tribes and advises them to take a series of remedial action for better and more effective implementation of the projects with a view to ensure the flow of benefits to all the tribals including those living in inaccessible areas and also to expedite the investigation and disposal of the atrocity cases and the cases relating to land alienation etc. pending either with the district administration or in the courts. The Commission also interacts with the leaders of tribals or the members of tribal associations to ascertain the ground realities and the implementation status of various projects and schemes before having review meetings with the district administration.

8.4 The Commission also undertakes review meetings with the organizations/offices functioning under the administrative control of the Central Government, and the various Central Public Sector Undertakings including the financial institutions to ascertain the implementation of the reservation instructions in appointment of different categories of posts as also the assessment of the implementation status of the development projects for socio-economic advancement of Scheduled Tribes. These review meetings by the Commission are generally preceded by meetings with the representatives of SC/ST Employees' Welfare

Associations operating in those organizations which are meant at understanding the actual grievances of the ST employees working in these organizations.

8.5 The Commission has developed three sets of Questionnaires for eliciting information from the (i) Central Ministries/Departments (Questionnaire No.I appended as **Annex.X**) (ii) Central Public Sector Undertakings (Questionnaire No.II appended as **Annex.XI**), and (iii) State Govts./UT Administrations (Questionnaire No.III appended as **Annex.XII**) for the purpose of undertaking review meetings. The Commission generally undertakes the review after receipt of the detailed information in the respective Questionnaire. There is a separate Questionnaire (**Annex.XIII**) for undertaking review meetings at district level which are carried by the Member (s) of the Commission whenever he or she/they propose to undertake review meetings with the district/taluka level officers.

The State Legislature is required to ensure that the Panchayats at appropriate level and the Gram Sabha are endowed specifically with the power-

- (v) to exercise control over money lending to Scheduled Tribes,
- (vi) to exercise control over institutions and functionaries in social sectors and,
- (vii) to exercise control over local plans and resources for such plans including tribal-sub plans.

10. STATUTES AND LEGISLATIONS

10.1 There are a number of laws, both Central and State, which provide for safeguards to Scheduled Tribes. Some of these emanate from the various Constitutional provisions. An illustrative list of such laws is given below:

- (i) The Bonded Labour System (Abolition) Act, 1976
- (ii) The Child Labour (Prohibition and Regulation) Act, 1986
- (iii) The Minimum Wages Act, 1948

10.2 Acts and regulations are in force in different States to prevent alienation of land belonging to STs. In some States, such provisions exist in the Land Revenue Code.

11. RULES OF PROCEDURE

Clause (4) of Article 338A of the Constitution provides that the Commission shall have the power to regulate its own procedure. The Commission accordingly notified the Rules of Procedure for the first time on 17 September, 2004 which were revised vide the Notification dated _____. These Rules define the responsibilities of the Chairperson, Vice-Chairperson and Members, and Secretary to the Commission and that the Chairperson shall allocate subjects and responsibilities among the Members of the Commission. These Rules also contain detailed information about (i) the procedure of investigation and enquiry by the Commission, (ii) frequency of meetings of the Commission, (iii) the duties of its Regional Offices, (iv) the advisory role of the Commission, and (v) its monitoring functions. A copy of the revised Rules of Procedure as notified on _____ is placed at **Annex.XV**.

12. ALLOCATION OF WORK AMONG THE MEMBERS OF THE COMMISSION

12. Rule (6) of the Rules of Procedure of the Commission notified on 17 September, 2004 provide that the Chairperson shall allocate subjects and responsibilities among the Members of the Commission and that the Order in this regard shall be circulated to all concerned by the Secretariat of the Commission.

13. ORGANIZATIONAL SET-UP OF THE SECRETARIAT OF THE COMMISSION

13.1 The National Commission for Scheduled Tribes functions from the Headquarters located at New Delhi. Till July, 2006 the representations/petitions received in the Commission at the Headquarters were being dealt with in three different functional Wings called (i) Economic and Social Development Wing, (ii) Service Safeguard Wing, and (iii) Atrocities Wing. It was observed that this was not a very rational and balanced system of distribution as it suffered from several shortcomings including the following:-

- (i) Under this system of distribution, the work relating to developmental matters in respect of Scheduled Tribes was being handled by only 1/3rd of the staff and officers (i.e. by the Economic and Social Development Wing) while the other 2/3rd staff and officers had been looking after the work relating to service, and atrocity related matters. The Commission, therefore, felt very strongly in favour of creating a system under which all the officers and staff of the Commission would be equally involved in dealing with the developmental issues related to Scheduled Tribes which was the basic mandate of the Commission.

- (ii) Under this system while the Service Safeguard Wing was overburdened on account of most of the petitions being received in the Commission related to service matters, the other two Wings i.e. Economic and Social Development Wing, and Atrocities Wing were comparatively less burdened. Almost 95% of the hearings organized in the Commission related to service matters, and it threw up a lot of work in relation to preparation of briefs for these hearings and minutes on their conclusion and this phenomenon used to further contribute to the burden and pressure on the Service Safeguard Wing.
- (iii) The matters relating to (a) socio-economic development, (b) reservation in services and posts, and (c) atrocities, in relation to Scheduled Tribes were being dealt with in three different files in respect of a particular State or Union Territory opened in the three functional Wings i.e. SSW, ESDW and Atrocity Wing and this position created a lot of coordination problems whenever the Commission needed information or it was asked to furnish information with respect to all these areas and, therefore, the Commission in its wisdom thought of the need of restructuring the functional Wings in such a way that each Wing/Unit was required to deal with all the matters respecting Scheduled Tribes.
- (iv) Another idea behind the proposed restructuring was to ensure that each staff member of the Commission was conversant with all the three areas of work related to Scheduled Tribes so that the work of the Commission in respect of all the areas was carried out without any obstruction on account of a number of officials proceeding on leave or training or otherwise.

13.2 In view of the above-mentioned drawbacks in the work distribution system in the Commission which was in position prior to 20 July, 2006, the Commission in its meeting held on 20 July, 2006 decided to do away with the existing system of distribution of work and to create, after merging the existing Wings, four Research Units namely-Research Unit I, II, III and IV and each Unit to deal with all matters relating to services, development and atrocities with a view to improve the functioning of the Commission. In pursuance of this decision of the Commission, four Research Units were created in place of the then existing three operational Wings by Office Order dated 26 July, 2006 (**Annex XVI**) to deal with all matters pertaining to socio-economic and educational development, services and atrocities in relation to Ministries/ Departments along with CPSEs and other Organizations under their administrative control and the States/UTs allotted to them, as given below para 2 of the said Office Order. Two Research Units each are presently being headed by one Director level officer. Apart from these four Research Units, there is an Administration & Establishment Unit and a separate Coordination Unit. While the Administration/Establishment Unit provides administrative support to the Commission, the Coordination Unit deals with the various activities relating to making arrangements for holding internal meetings of the Commission, issuing communications to the State Govts. for visit of the Chairman, Vice-Chairman or Members of the Commission, Parliamentary and court matters and any other matter not connected with the four functional Research Units, and the Administration and Establishment Unit.

Dear Shri Singh,

The Commission is in the process of strengthening data base to have complete information on the matters concerning its mandate. Broadly speaking, this Statutory Commission has been assigned three functions namely, Protection against Atrocities, Compliance of Service Safeguards, and Socio-Economic Development matters concerning the Scheduled Tribes. So far, there has not been any system of getting periodical reports from the States and therefore an exercise has been done to devise appropriate proforma to seek information from the State Government on the three broad issues.

2. Copies of these three proforma (I,II and III) are enclosed with the request that the requisite information concerning your State may kindly be got compiled by the Nodal Department(Scheduled Tribe Affairs/ Social Welfare Department) for all the Departments in your State and consolidated report may be sent to the Commission within one month at the first instance and thereafter within a month of the closing of financial year. I may also add for your kind information that the Commission is in the process of launching its website in a period of one month and therefore, it is very important to have such an information back up from all the States.

3. In due course of time, the Commission would also undertake review and examination of various States relating to the three issues falling within its mandate. In view of this also the information being requested assumes greater significance.

4. I also enclose a brief note on the Commission, giving Background, Functions & Powers of the Commission, Summary of Safeguards under the Constitution and Various Laws for Scheduled Tribes, for information & ready reference.

With regards,

Yours sincerely,

Sd/-
