Overall Analysis

Few **Alumni members & faculty members** have suggested that there should be graduation in commerce as well in the institute. The institute need to upgrade in terms of infrastructure. **Faculty members and employers** have highlighted the smart boards in the classes. **Employers & alumni members** have suggested that there should be course on networking skills & life skills and personality development.

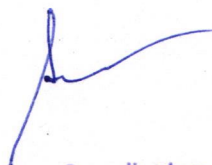

Keeping in mind the NEP 2020 few faculty members have pointed out the need of course related to Indian knowledge system. For BAJMC students, **students and faculty members** have highlighted there should be facility related to sports and gym. Employers **Alumni members** and students suggested to provide opportunities for students to earn industry-recognized certifications relevant to their specialization or career goals. Students and faculty members have stressed on lifelong learning and adaptation to emerging business trends

The feedback from **employer and alumni members** highlights a clear and persistent call for prioritizing personality development within the curriculum. There is a strong demand for incorporating workshops and courses focused on personal growth, such as emotional intelligence, self-awareness, interpersonal skills, and time management. Emphasis is placed on the need for practical training in areas like conflict resolution, stress management, and personal branding to better prepare students for professional success.
