On 5<sup>th</sup> June 2023, to mark World Environment Day, the Cultural Club of Tecnia Institute of Advanced Studies organized a Campaign for Environmental Consciousness in Fateh Pur Jat Village. The theme of the drive was "Protecting Our Natural Resources," focusing on educating villagers about the need to conserve the environment and adopt eco-friendly practices.

The event began with a plantation drive, where students and villagers planted saplings around the village. This activity was followed by a presentation on water conservation and waste management, with practical tips on reducing water consumption, avoiding plastic, and managing household waste through composting. Students used charts and videos to explain how small changes in daily life could have a significant impact on the environment.

To make the event more engaging, the Cultural Club organized a quiz for the village children on environmental topics. The children participated enthusiastically, showing a strong interest in

	<p>learning about nature and its protection. Prizes, including eco-friendly stationery, were distributed to the winners.</p> <p>The day concluded with a community clean-up drive, where both students and villagers collected plastic waste and ensured proper disposal. This collaborative effort not only cleaned the environment but also fostered a sense of responsibility among the villagers to keep their surroundings clean.</p> <p>Through this event, the Cultural Club succeeded in instilling a deeper understanding of environmental issues and motivating the villagers to take action in preserving their natural resources.</p>
