Report: Description in (min 250 to max 800 words)*

Students of Electoral Literacy Club of Tecnia Institute of Advanced Studies participated in the "Empower the Future: Young Voter Engagement Initiative," successfully held at Rashtrapati Bhawan on 20th April, 2022. This event aimed to inspire and educate young voters about their essential role in the electoral process. The initiative commenced with a keynote address from distinguished speakers, including electoral officers and local leaders. They emphasized the significance of youth engagement in shaping policies that directly affect their lives. Speakers articulated how each vote can impact critical issues such as education, employment, and climate change, reinforcing the idea that young voters have the power to influence their future. Following the opening remarks, the program featured interactive workshops designed to educate students about the electoral process, the importance of voter registration, and effective strategies for making informed decisions. Participants were encouraged to express their views on current social issues, fostering a lively dialogue about the power of collective action and community involvement. The event concluded with an inspiring call to action, urging students to register to vote and actively participate in upcoming elections. Organizers stressed that voting is not merely a right but a vital opportunity to influence the direction of society and advocate for their needs. Overall, the "Empower the Future" initiative provided an invaluable platform for young voters, equipping them with the knowledge and motivation to engage actively in their democracy. By highlighting the importance of participation, the event aimed to empower the next generation of voters to take charge of their futures and make their voices heard in the electoral process.
