Zenith 24, hosted by Gitarattan International Business School on 24th February 2024, featured a diverse array of cultural performances, with the Nukkad Natak competition being one of the most engaging events. Tecnia Institute of Advanced Studies (TIAS) participated in the Nukkad Natak, led by Shivang Misra, and secured the 1st position with a powerful performance on the theme of social justice and equality.

The Nukkad Natak, BE-RANG performed by Mridang Theatre Society focused on the condition of widows in India and women empowerment, touching on critical issues such as discrimination faced by widows, societal expectations, and the need for collective responsibility in achieving equality. The play used a mix of humor, drama, and impactful dialogues to convey its message, leaving a lasting impression on the audience.

The actors from Mridang Theatre Society, TIAS demonstrated exceptional coordination, delivering strong performances that were both entertaining and educational. The minimal use of props and reliance on dynamic acting highlighted their creativity and ability to capture the audience's attention. The interactive nature of the Natak allowed for active audience participation, making the performance even more engaging and impactful.

The judging panel commended the team for their creativity, energy, and their ability to raise important social issues through the traditional medium of street theatre. The performance not only entertained the audience but also encouraged them

	<p>to reflect on their own roles in promoting social equality.</p> <p>This victory at Zenith 24 further solidified TIAS's reputation for excellence in cultural and socially-relevant performances, demonstrating the students' dedication to using theatre as a tool for social change.</p>
