<p>Report: Description in (min 250 to max 800 words)*</p>	<p>On September 14, 2023, the Tecnia Institute of Advanced Studies conducted an outreach program titled "My Vote, My Voice" in Nangli Poona. This initiative aimed to highlight the significance of voting as a fundamental civic duty and to encourage local residents to actively engage in the upcoming elections. The program sought not only to promote voter participation but also to dispel common myths and misconceptions surrounding the voting process, ultimately aiming to enhance voter turnout in the area. To facilitate this, informational booklets and flyers were distributed, providing clear guidelines on voter registration, important election dates, and tips for making informed voting decisions. These materials were made available in both Hindi and English, ensuring accessibility for all community members. The "My Vote, My Voice" event proved to be highly successful in raising awareness about the critical role of voting and motivating the residents of Nangli Poona to participate actively in the electoral process. Feedback from the community was overwhelmingly positive, with many attendees expressing a renewed sense of civic responsibility and commitment to making their voices heard. Participants engaged in meaningful discussions and shared their thoughts on the electoral process, fostering a sense of community and shared purpose. Overall, the outreach program effectively empowered individuals to recognize the importance of their votes and encouraged them to take an active role in shaping their future through informed electoral participation. The Tecnia Institute of Advanced Studies remains dedicated to continuing these efforts, reinforcing the message that every vote truly matters in a vibrant democracy.</p>
