3. FUTURE PLANS

The academic year 2024-2025 is set to be an exciting journey filled with vibrant events and activities that celebrate our diverse culture and foster a sense of unity. Starting in July 2024, we kick off with the formation of EBSB (Ek Bharat Shreshtha Bharat) Clubs across higher education institutions, setting the tone for a year dedicated to cultural exchange and national integration. Each month, we'll have EBSB Days, featuring cultural demonstrations, film screenings, and food festivals, all designed to showcase the rich heritage of our partner states. On special days like Independence Day, Gandhi Jayanti, and Republic Day, we'll come together for activities that emphasize cleanliness, sustainability, and national unity.

Teacher exchange programs, youth festivals, and hackathons will provide unique opportunities for cross-cultural learning and collaboration. As the year progresses, students and faculty will engage in essay writing, debates, drama, and quiz competitions, all aimed at deepening our understanding of our partner states. The year will culminate in April with the EBSB Utsav, a grand celebration where we'll connect with our partner institutions through video conferencing, sharing our experiences and achievements. We'll also publish the EBSB Newsletter/Report, capturing the highlights and successes of our year-long journey.

4.CONCLUSION

The series of events organized by the EBSB Club at Tecnia Institute of Advanced Studies successfully aligned with the objectives of the Ek Bharat Shreshtha Bharat (EBSB) initiative, fostering unity, inclusivity, and cultural exchange between Delhi and its partnering state, Sikkim. Each event was meticulously designed to promote awareness and appreciation of India's cultural diversity while achieving key Outcome-Based Education (OBE) values, such as knowledge enhancement, skill development, value-building, commitment, and harmony.

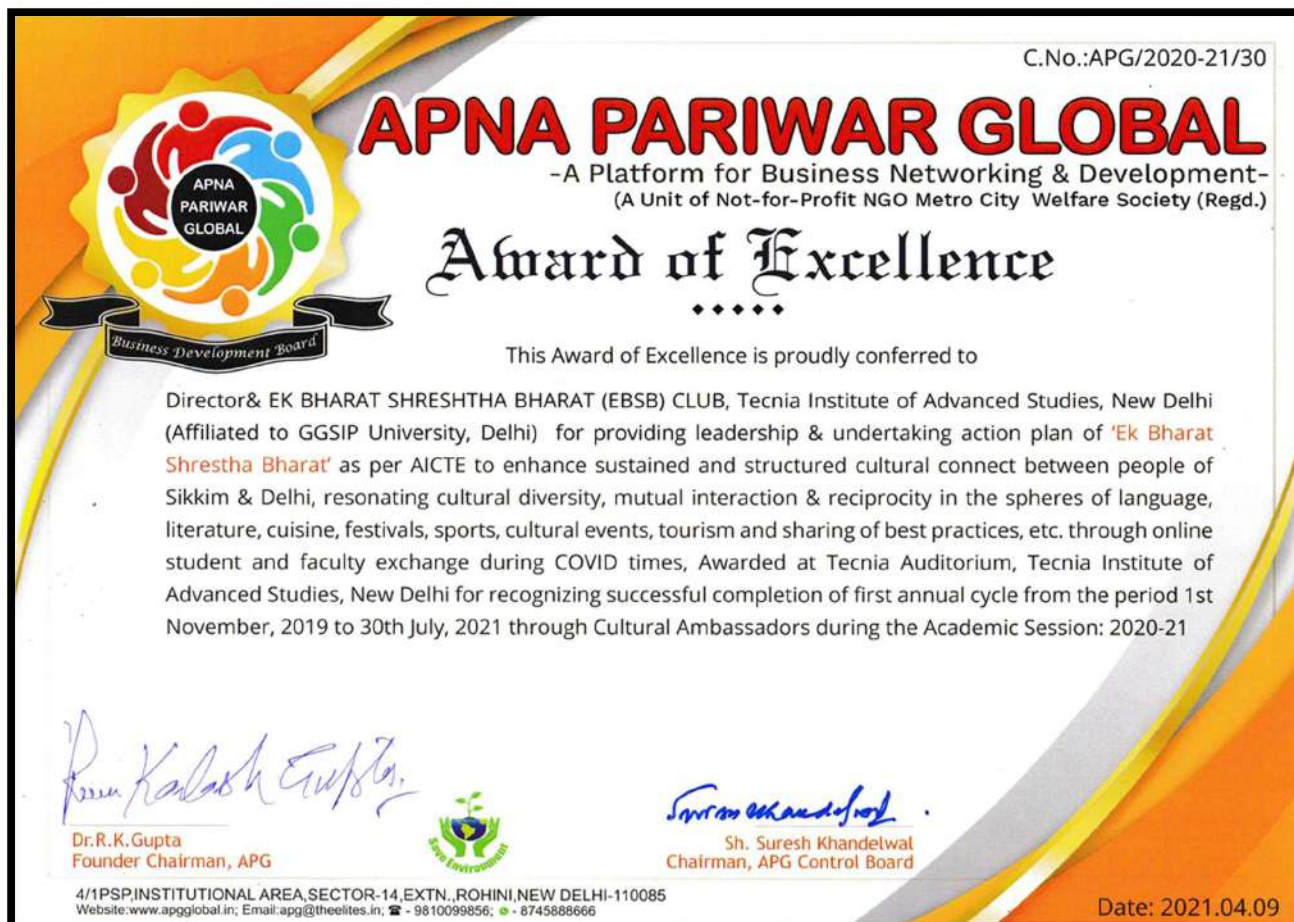

The events also contributed significantly to the achievement of various UNSDGs, including Goal 4 (Quality Education), Goal 10 (Reduced Inequalities), Goal 11 (Sustainable Cities and Communities), Goal 16 (Peace, Justice, and Strong Institutions), and Goal 17 (Partnerships for the Goals). These activities empowered students with a deeper understanding of cultural heritage, social responsibility, and the importance of intercultural dialogue.

Furthermore, the events embodied *Mulya Pravah* principles such as Inclusiveness, Respectfulness, Harmony, Belongingness, and Global Citizenship. By celebrating themes of cultural unity, menstrual hygiene awareness, environmental sustainability, and gender equality, the initiatives inspired students to embrace diversity and take an active role in building a more equitable and harmonious society.

In conclusion, the EBSB Club's efforts have significantly contributed to fostering national integration, developing cross-cultural understanding, and promoting the core values of unity and inclusivity, thereby strengthening the bond between Delhi and Sikkim under the EBSB initiative. These activities continue to inspire students to become responsible citizens who appreciate and celebrate India's rich cultural tapestry.
