Report: Description in (min 250 to max 800 words)\*

The Panel Discussion on "Bhartiya Gyan Parampara: Drishti Aur Karyanvayan" was successfully organized by the Indian Knowledge Systems Cell, TIAS, Delhi on 3rd February 2025

at the IKS Cell, Tecnia Institute of Advanced Studies, Delhi. The event aimed to explore the vast and rich heritage of the Indian knowledge system and its relevance in the modern era. Scholars, researchers, and students from various disciplines participated in this insightful discussion.

The event featured Prof(Dr). M. N. Jha, Dean Academics, Tecnia Institute of Advanced Studies, Delhi, and Dr. Shivendu Rai, HoD, Department of Journalism and Mass Communication, TIAS, Delhi, as guest speakers. The keynote address was delivered by Dr. Monisha, HoD, Department of Management Sciences, TIAS, who emphasized the role of Vedas, Upanishads, Ayurveda, and ancient scientific texts in shaping India's intellectual legacy. The discussion provided deep insights into how the Indian knowledge system remains relevant today.

The primary objectives of the panel discussion were to understand the significance of India's traditional knowledge system, analyze its practical applications in contemporary education and research, explore ways to integrate ancient wisdom with modern technological advancements, and encourage academic discussions on India's contribution to global knowledge traditions.

The event commenced with welcoming address by Dr. Monisha. Various discussions and deliberations were conducted, covering topics such as The Philosophical and Scientific Foundations of Indian Knowledge Systems, Integration of Ancient Wisdom in Modern Education, Contributions of Indian Mathematicians and Scientists, Ayurveda and Holistic Well-being, and Preservation and Promotion of Indigenous Knowledge in the Digital Age.

Key takeaways from the discussion highlighted the deep philosophical, spiritual, and scientific dimensions of Bhartiya Gyan Parampara that remain significant today. The panelists emphasized the remarkable contributions of ancient Indian scholars in the fields of mathematics, astronomy, medicine, and

	<p>linguistics. They also stressed the importance of integrating traditional wisdom with modern education to promote holistic learning and urged academic institutions to encourage research and awareness about India's knowledge traditions.</p> <p>The event concluded with a vote of thanks by Dr. Monisha appreciating the efforts of the organizing team, speakers, and participants for their contributions in making the event a success. IKS Cell, TIAS remains committed to fostering knowledge and research in Bhartiya Gyan Parampara and looks forward to organizing more such enriching events in the future.</p>
