

TECNIA INSTITUTE OF ADVANCED STUDIES

Grade 'A' Institute

Department of Information, Communication & Technology

Master Of Computer Applications (MCA)

Scheme and Syllabus (w.e.f. Academic Session 2020-21 onwards)

COURSE CODE: MCA- 171

COURSE NAME: Professional Proficiency - | Objective And Structure Of This Course:

General Proficiency (under NUES Scheme) is aimed to impart value added modules to students, based upon the changing requirements of the industry, from time to time. This innovative practice makes the scheme open and adaptive to the changing requirements of the industry, by keeping inbuilt flexibility of introducing any value-added module based upon industry input, from time to time. The required decision of the value-added module and related assessment guidelines shall be finalized by the Programme Co-ordination Committee, before start of the semester. let's COs and required mapping shall be done by the Programme Co- ordination Committee, after finalizing the value-added module to be offered under this course. There shall not be any external examination of the University for this course, The performance of the candidates should continuously be evaluated by an internal committee, at the College level, as per the guidelines of the Programme Coordination Committee.

Suggestion:

It is suggested to have Personality Development and Communication Skills Course in first semester under Professional Proficiency-I. However, the final decision shall be taken by the Programme Coordination Committee, before start of the semester.
