Report:

On August 17, 2019, Tecnia Institute of Advanced Studies (TIAS) hosted a lively cultural event as part of its Student Induction Programme, warmly welcoming new students with enthusiasm and creativity. The gathering took place in the TIAS auditorium, attracting participants from various disciplines,

including BBA, MBA, BAJMC along with faculty and staff, fostering a vibrant and inclusive environment.

The event kicked off with the ceremonial lighting of a lamp, symbolizing the illumination of knowledge. The chief guest delivered a motivating address, underscoring the significance of cultural events in promoting unity and celebrating diversity within the institution. This message resonated throughout the evening, establishing a positive tone for the upcoming academic year.

The cultural showcase included a variety of performances, beginning with a mesmerizing singing segment. Students performed a medley of classical and contemporary songs, enchanting the audience and creating an uplifting atmosphere. Following this, the dance club presented an exhilarating western dance routine to popular international tracks. Their impeccable coordination and enthusiasm captivated everyone, making it one of the event's standout moments.

Another highlight was a thought-provoking Nukkad Natak (street play on anti ragging) performed by the drama club, which addressed important social issues with humor and emotion. The performers' passionate delivery earned them a standing ovation, illustrating the impact of theater in raising awareness.

Additionally, a compelling mono act showcased a student's ability to convey complex emotions through a solo performance filled with drama and humor. This diverse range of cultural events not only entertained but also highlighted the exceptional talents of TIAS students.

The evening concluded with a heartfelt vote of thanks from the organizers, celebrating the remarkable spirit of creativity and camaraderie, leaving participants invigorated for the academic journey ahead.
